The Standard DI News

The Standard is pleased to announce increased Issue and Participation limits for The Protector^{SM*} and The Protector+SM

For 3P and 4P physicians, and 4A and 5A occ classes the changes in pink below are effective immediately.

Overview					
Occupation Class		5A & 4A	4P Physician 4P Dentist	3P Physician	3P Dentist
Monthly Coverage	Maximum Issue from The Standard including any SSI	\$15,000	\$15,000	\$15,000	\$10,000
	Maximum Participation with other carriers' IDI coverage	\$20,000	\$20,000	\$20,000	\$15,000
	Maximum Participation with Group LTD from other carriers and/or The Standard	\$25,000	\$20,000	\$20,000	\$15,000

For more details, please see the [online reference product guide](#).

* The Protector is available in California only.

Pending business

Pending IDI applications that are in underwriting or have been recently issued, but not yet placed, may be eligible for the higher benefit amounts. Please contact your underwriter or Customer Management Specialist.

Current policyholders who own active policies that may qualify for a higher benefit as a result of this announcement will need to submit a new, fully underwritten application requesting the additional benefit amounts.

Illustrating the changes

Please download Software Update 208 from the [producer IDI website](#). Choose Software Downloads/ Update 208 from the menu bar.

Questions

As always, we are happy to assist you. Please contact getinfo@standard.com or call 800.992.4446.
