

MEDEX® Travel Assist Extended Coverage for Foreign Travel

Designed to respond to medical care situations and other emergencies that you and your family may experience when traveling, MEDEX® provides a wide-ranging program of information, referral, coordination, assistance, and evacuation services. Employees of the Montana University System are automatically covered for trips up to 90 days; however, coverage can be extended for longer trips abroad. If you will be traveling to a foreign county for longer than 90 days, please complete and submit the form below. For more information regarding this coverage please refer to the MEDEX booklet online at www.standard.com/eforms/13827_643129.pdf.
