

### Basic Life and AD&D Insurance

Standard Insurance Company has developed this Coverage Highlights to be reviewed along with the Oregon Educators Benefit Board (OEBB) Basic Life Insurance Employee Brochure to provide you with information about the Basic Life insurance available through your *employer's* participation in the OEBB Group Policy. Written in non-technical language, this Coverage Highlights supplements the coverage details discussed in the OEBB Basic Life Insurance Employee Brochure and is not intended as a complete description of the coverage. In understanding the insurance available to you, please read the accompanying OEBB Basic Life Insurance Employee Brochure for further information about plan design, and for additional information on the policy definitions, exclusions, limitations, reductions and terminating events. If you have additional questions, please contact your human resources representative.

### Becoming Insured

Your *employer* may pay the entire cost of your Basic coverage, or may require that you pay all or a part of the cost of Basic coverage. If your *employer* elects Basic Life coverage for employees in your classification, then all eligible employees in that classification must participate in the plan.

Your coverage will be effective on the date you become an eligible employee and complete any *eligibility waiting period*, provided you meet the *active work* requirement on that date. This means that if you are not *actively at work* on the day before the scheduled effective date of insurance, your insurance will not become effective until the day after you complete one full day of *active work* as an eligible employee.

### Basic Life Coverage Amount

If your *employer* has elected Basic Life coverage under Plan 9, the amount of your Basic Life insurance is **\$40,000**.

### Basic AD&D Coverage Amount

Your *employer* may elect matching Basic AD&D coverage. If elected by your *employer*, your Basic AD&D insurance amount is **\$40,000**.

### Rates
