

### Your Disability Benefit Claim

This packet contains the forms necessary to apply for disability benefits. It also addresses common questions about Disability claims. **Please save this material for your future reference.** For specific information about your Disability insurance coverage, refer to your group insurance certificate. The certificates are the ultimate authority for Disability claim decisions. If you need other information, please contact your employer's benefit administrator or call our customer service line at (800) 368-2859.

### How To Apply For Benefits

The Disability benefits application includes claim forms and an Authorization.

1. Your employer should complete their portion of the claim form on page 2, before giving the packet to you.
2. Complete and sign your part of the claim form. Compare your responses to those of your employer to make sure you agree on all information, including **last day of work** and **sick leave** dates.
3. Your treating physician should complete the Attending Physician's Statement. If more than one physician is treating you for your disabling condition, each should complete a form. Additional forms are available from your employer's benefit administrator.
4. Sign and date the Authorization, and send it, along with the claim forms, to Standard Insurance Company (The Standard) at the above address. This authorization allows us to request further information about your claim, if necessary.

Once we receive your completed claim application, it will take approximately one week to make a claim decision. If we have not reached a decision within one week, you will be notified with the details.

### Other Benefits That May Reduce Your Disability Benefits

Other benefits you receive or may be eligible to receive may reduce the amount of Disability benefits due you. Your group insurance certificate lists these benefits, which may include, but are not limited to, sick leave, Workers' Compensation, State Disability, Social Security, and Retirement.

To avoid a possible overpayment of your claim, please inform The Standard if you receive other benefits.

### When You Return To Work

Your disability benefits usually stop when you return to work. **Be sure that you or your employer notify The Standard immediately when you plan to return, or have returned to work** to assure no overpayment occurs.

The Authorization form allows Standard Insurance Company to obtain personal information as it determines your eligibility for insurance benefits. The information obtained from you and from other sources may include confidential abuse information. "Confidential abuse information" means information about acts of domestic abuse or abuse status, the work or home address or telephone number of a victim of domestic abuse or the status of an applicant or insured as a family member, employer or associate of a victim of domestic abuse or a person with whom an applicant or insured is known to have a direct, close personal, family or abuse-related counseling relationship.
