Your application for benefits consists of four forms. **Every space on these forms should be filled in** to avoid delay in processing your application. If a section does not apply, or information is not available, “NA” should be written in the space so that we know you did not overlook that particular question. **If a form is received incomplete, it may be returned for completion.**

BENEFITS FROM OTHER SOURCES

Your Group Disability plan is designed so that the income you receive from The Standard and other sources (Social Security, Workers' Compensation and other benefits as described in your Certificate) will equal the percentage described in your Certificate. You should check your Certificate to determine how other benefits may impact your disability benefits. You must send The Standard copies of all of your benefit determinations and related determinations. The policy under which you are insured may require that The Standard benefit payment be reduced by actual or estimated benefits payable from additional sources.

HOW SOCIAL SECURITY BENEFITS AFFECT YOUR DISABILITY BENEFITS

The Standard will deduct the amount payable on your Social Security wage record for you and your dependents from your Monthly Income Benefit. Social Security benefits are considered "deemed payable." This means that we will reduce the amount of benefits we will pay by an estimate of the amount of Social Security benefits payable to you and your dependents until we receive all appropriate denial notices, or an actual benefit award notice. Therefore, it is to your advantage to apply for Social Security now. The Standard will automatically reduce for Social Security full retirement benefits if you are age 65 or older, unless you are over age 70 and were collecting Social Security full retirement benefits when your disability began.

The Standard will make these deductions whether or not you are currently receiving Social Security benefits. Therefore, it is to your advantage to apply for Social Security disability benefits now.

**Long Term Disability Benefits
Repayment Understanding Agreement**

By signing this Agreement I am confirming my understanding and agreement with the following:

If Disability Benefits are approved, The Standard Benefit Administrators will reduce my Monthly Income Benefit by any Social Security benefits (including dependent benefits) payable on my wage record and, if applicable, any appropriate Workers' Compensation benefits. If disability benefits begin before Social Security renders a decision, The Standard will reduce my benefits by an estimated Social Security amount. If appropriate, The Standard may reduce my benefits by an estimated Workers' Compensation amount.

When I receive Social Security's decision, and/or Workers' Compensation determination, I must send The Standard a copy of the notice(s) and all supporting documentation. If Social Security and/or Workers' Compensation approves a lesser amount of benefits than estimated, The Standard will adjust my benefits accordingly. If Social Security and/or Workers' Compensation approves a greater amount of benefits than estimated, I will have received an overpayment of LTD benefits, which I will promptly remit to The Standard.

If I am denied Social Security and/or Workers' Compensation benefits, The Standard will review the reasons for the denial and decide whether I should appeal the decision.

If The Standard determines that appeals are appropriate, I will pursue all appeals and request that The Standard adjust my Monthly Income Benefit to reflect the Social Security and/or Workers' Compensation declination while my appeals are pending. In exchange, I agree that I will pursue all appeals The Standard feels appropriate and repay The Standard for the amount of any overpayment that arises if Social Security or Workers' Compensation approves retroactive benefits for periods during which The Standard paid benefits without reducing for such benefits.

- I understand that the Monthly Income Benefit under my group disability insurance is reduced by any Social Security benefits payable on my wage record (including those paid to my dependents).
- I understand that the Monthly Income Benefit under my group disability insurance is reduced by any Workers' Compensation or similar benefits payable to me and/or my dependents.
- If Social Security approves my claim and retroactive benefits are payable, I agree to promptly repay to The Standard the amount of any disability benefits paid to me to the extent that Social Security benefits result in an overpayment due The Standard.
- If Workers' Compensation approves my claim and retroactive benefits are payable, I agree to promptly repay The Standard the amount of any disability benefits paid to me to the extent that Workers' Compensation benefits result in an overpayment due The Standard.
- I understand my contractual obligation to notify The Standard as soon as a Social Security and/or Workers' Compensation determination has been made at either the initial application or appeals level.
- I understand my contractual obligation to appeal Social Security's and/or Workers' Compensation denial where The Standard feels it appropriate, and to provide proof of such appeal to The Standard.
- I understand that The Standard may require that I apply for Social Security and/or Workers' Compensation benefits at a later date.
- I understand that failure to comply with any of the aforementioned obligations will result in he offset of my disability benefits by an estimated Social Security allowance, or, if appropriate, an estimated Workers' Compensation amount.
