## **CONDITIONS FOR INSURANCE COVERAGE**

### *ELIGIBILITY*

**ELIGIBLE CLASS FOR MEMBERS.** The members of the eligible class(es) are shown on the Schedule of Benefits. Each member of the eligible class (referred to as "Member") will qualify for such insurance on the day he or she completes the required eligibility period, if any. Members choosing to elect coverage will hereinafter be referred to as "Insured."

If employment is the basis for membership, a member of the Eligible Class for Insurance is any eligible employee electing the p p o plan working at least 20 hours per week. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

**ELIGIBLE CLASS FOR DEPENDENT INSURANCE.** Each Member of the eligible class(es) for dependent coverage is eligible for the Dependent Insurance under the policy and will qualify for this Dependent Insurance on the first of the month falling on or first following the latest of:

1. the day he or she qualifies for coverage as a Member;
2. the day he or she first becomes a Member; or
3. the day he or she first has a dependent.

**COVERAGE FOR NEWBORN AND ADOPTED CHILDREN.** A newborn child will be covered from the date of birth. Coverage for a newborn child of a covered dependent other than a spouse will stop on the date the child attains eighteen months of age.

An adopted child, foster child and other child in court-ordered custody placed pursuant to Chapter 63 will be covered from the date of placement in the Insured's residence. A newborn adopted child will be covered from the date of birth if the Insured has agreed in writing to adopt the child prior to its birth and the child is ultimately placed in the Insured's residence.

Coverage for a newborn child shall consist of coverage for all covered Dental expenses, subject to applicable deductibles, coinsurance percentages, maximums and limitations, including the necessary care or treatment of congenital defects, birth abnormalities, including cleft lip and cleft palate and premature birth.

The Insured may give us written notice within 31 days of the date of birth or placement of a dependent child to start coverage. If timely notice is given, we will not charge an additional premium for the 31-day notice period. If timely notice is not given, we will charge the applicable additional premium from the date of birth or placement for an adopted child. We will not deny coverage for a child due to the failure of the Insured to notify us within 60 days of the child's birth or placement.

A Member must be an Insured to also insure his or her dependents.

If employment is the basis for membership, a member of the Eligible Class for Dependent Insurance is any eligible employee electing the p p o plan working at least 20 hours per week and has eligible dependents. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

When a member of the Eligible Class for Dependent Insurance dies and, if at the date of death, has dependents insured, the Policyholder has the option of offering the dependents of the deceased employee continued coverage. If elected by the Policyholder and the affected dependents, the name of such deceased member will continue to be listed as a member of the Eligible Class for Dependent Insurance.

**CONTRIBUTION REQUIREMENTS.** Member Insurance: An Insured is required to contribute to the payment of his or her insurance premiums.

Dependent Insurance: An Insured is required to contribute to the payment of insurance premiums for his or her dependents.

**ELIGIBILITY PERIOD.** For persons who become members on the Plan Effective Date of the policy, the employee becomes eligible on the first day of the month falling on or first day of the month following 60 days of employment.

For persons who become members after the Plan Effective Date of the policy, the employee becomes eligible on the first day of the month falling on or first day of the month following 60 days of employment.

If employment is the basis for membership in the Eligible Class for Members, an Insured whose eligibility terminates and is established again, may or may not have to complete a new eligibility period before he or she can again qualify for insurance.

**ELIMINATION PERIOD.** Certain covered expenses may be subject to an elimination period, please refer to the TABLE OF DENTAL PROCEDURES, DENTAL EXPENSE BENEFITS, and if applicable, the ORTHODONTIC EXPENSE BENEFITS pages for details.

**EFFECTIVE DATE.** Each Member has the option of being insured and insuring his or her Dependents. To elect coverage, he or she must agree in writing to contribute to the payment of the insurance premiums. The Effective Date for each Member and his or her Dependents, will be the first of the month falling on or first of the month following:

1. the date on which the Member qualifies for insurance, if the Member agrees to contribute on or before that date.
2. the date on which the Member agrees to contribute, if that date is within 31 days after the date he or she qualifies for insurance.
3. the date we accept the Member and/or Dependent for insurance when the Member and/or Dependent is a Late Entrant. The Member and/or Dependent will be subject to any limitation concerning Late Entrants.

**EXCEPTIONS.** If employment is the basis for membership, a Member must be in active service on the date the insurance, or any increase in insurance, is to take effect. If not, the insurance will not take effect until the day he or she returns to active service. Active service refers to the performance in the customary manner by an employee of all the regular duties of his or her employment with his or her employer on a full time basis at one of the employer's business establishments or at some location to which the employer's business requires the employee to travel.

A Member will be in active service on any regular non-working day if he or she is not totally disabled on that day and if he or she was in active service on the regular working day before that day.

If membership is by reason other than employment, a Member must not be totally disabled on the date the insurance, or any increase in insurance, is to take effect. The insurance will not take effect until the day after he or she ceases to be totally disabled.

But any person who is not in active service or is totally disabled will be insured on the Effective Date if:

- i. the person was insured under a policy of group insurance providing like benefits which ended on the day immediately before the Effective Date of the policy providing this

coverage; and

- ii. the person is considered a Member or an eligible Dependent under the policy providing this coverage; and had the prior policy contained the same definition of eligibility, would have been a Member or Dependent under the prior policy.

#### ***TERMINATION DATES***

**INSUREDS.** The insurance for any Insured, will automatically terminate on the end of the month falling on or the end of the month following the **earliest of:**

1. the date the Insured ceases to be a Member;
2. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
3. the date the policy is terminated.

**DEPENDENTS.** The insurance for all of an Insured's dependents will automatically terminate on the end of the month falling on or the end of the month following the **earliest of:**

1. the date on which the Insured's coverage terminates;
2. the date on which the Insured ceases to be a Member;
3. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
4. the date all Dependent Insurance under the policy is terminated.

The insurance for any Dependent will automatically terminate on the end of the month falling on or the end of the month following the earliest date on which the dependent no longer meets the definition of a dependent. For those Dependents whose coverage terminates because they no longer meet the definition of a Dependent as a result of a limiting age (See "Definitions"), insurance will continue in force throughout the remainder of that year but will automatically terminate December 31 of the year following the attainment of that limiting age.

**CONTINUATION OF COVERAGE.** If coverage ceases according to TERMINATION DATE, some or all of the insurance coverages may be continued. Contact your plan administrator for details.

## DENTAL EXPENSE BENEFITS

We will determine dental expense benefits according to the terms of the group policy for dental expenses incurred by an Insured. An Insured person has the freedom of choice to receive treatment from any Provider.

**PARTICIPATING AND NON-PARTICIPATING PROVIDERS.** The Insured person may select a Participating Provider or a Non-Participating Provider. A Participating Provider agrees to provide services at a discounted fee to our Insureds. A Non-Participating Provider is any other Provider.

**DETERMINING BENEFITS.** The benefits payable will be determined by totaling all of the Covered Expenses submitted into each benefit type as shown in the Table of Dental Procedures. This amount is reduced by the Deductible, if any. The result is then multiplied by the Coinsurance Percentage(s) shown in the Schedule of Benefits. Benefits are subject to the Maximum Amount, if any, shown in the Schedule of Benefits.

**BENEFIT PERIOD.** Benefit Period refers to the period shown in the Table of Dental Procedures.

**DEDUCTIBLE.** The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

**MAXIMUM AMOUNT.** The Maximum Amount shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured.

**COVERED EXPENSES.** Covered Expenses include:

1. only those expenses for dental procedures performed by a Provider; and
2. only those expenses for dental procedures listed and outlined on the Table of Dental Procedures.

Covered Expenses are subject to "Limitations." See Limitations and Table of Dental Procedures.

Benefits payable for Covered Expenses also will be limited to the lesser of:

1. the actual charge of the Provider.
2. the usual and customary ("U&C") as determined by us, if services are provided by a Non Participating Provider.
3. the Maximum Allowable Charge ("MAC") as determined by us.

Usual and Customary ("U&C") describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from nationally recognized industry databases. From the array of charges ranked by amount, your Policyholder (in most cases your employer) has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by your provider and is not indicative of the appropriateness of the provider's fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

MAC - The Maximum Allowable Charge is derived from the array of provider charges within a particular ZIP code area. These allowances are the charges accepted by dentists who are Participating Providers. The MAC is reviewed and updated periodically to reflect increasing provider fees within the ZIP code area.

**ALTERNATIVE PROCEDURES.** If two or more procedures are considered adequate and appropriate treatment to correct a certain condition under generally accepted standards of dental care, the amount of the Covered Expense will be equal to the charge for the least expensive procedure. This provision is NOT intended to dictate a course of treatment. Instead, this provision is designed to determine the amount of the plan allowance for a submitted treatment when an adequate and appropriate alternative procedure is available. Accordingly, you

may choose to apply the alternate benefit amount determined under this provision toward payment of the submitted treatment.

We may request pre-operative dental x-ray films, periodontal charting and/or additional diagnostic data to determine the plan allowance for the procedures submitted. We strongly encourage pre-treatment estimates so you understand your benefits before any treatment begins. Ask your provider to submit a claim form for this purpose.

**EXPENSES INCURRED.** An expense is incurred at the time the impression is made for an appliance or change to an appliance. An expense is incurred at the time the tooth or teeth are prepared for a prosthetic crown, appliance, or fixed partial denture. For root canal therapy, an expense is incurred at the time the pulp chamber is opened. All other expenses are incurred at the time the service is rendered or a supply furnished.

**EXTENSION OF BENEFITS.** The policy provides an extension of benefits if all the following conditions are met:

1. Only dental procedures, as defined within the Table of Dental Procedures, are eligible for this extension, **except** for the dental procedures performed for routine examinations, cleanings, x-ray films and sealants.
2. The dental procedures must have been performed within 90 days after an Insured's insurance terminates due to discontinuance of the policy.
3. The course of dental treatment or dental procedures must have been recommended to the Insured by a provider in writing and commenced while insurance was in effect for the Insured.
4. Any dental procedures performed in the 90-day extension period are subject to the same policy provisions that would have applied had the Insured's insurance still been in effect.
5. To be eligible for this extension, the Insured is not required to be totally disabled.

When all the foregoing conditions have been met, dental procedures performed after the insurance on an Insured terminates will be considered as if the Insured's insurance was still in effect.

This extension will terminate on the earlier of:

1. the end of the 90-day extension period; and
2. the date the Insured is covered under another group health plan providing similar dental coverage. However, the extension will not terminate if the succeeding plan excludes the dental procedures eligible for extension with a waiting period.

**LIMITATIONS.** Covered Expenses will not include and benefits will not be payable for expenses incurred:

1. in the first 12 months that a person is insured if the person is a Late Entrant; except for Type 1 and Type 2 procedures.
2. for initial placement of any prosthetic crown, appliance, or fixed partial denture unless such placement is needed because of the extraction of one or more teeth while the insured person is covered under this contract. But the extraction of a third molar (wisdom tooth) will not qualify under the above. Any such prosthetic crown, appliance, or fixed partial denture must include the replacement of the extracted tooth or teeth.
3. for appliances, restorations, or procedures to:

- a. alter vertical dimension;
  - b. restore or maintain occlusion; or
  - c. splint or replace tooth structure lost as a result of abrasion or attrition.
4. for any procedure begun after the insured person's insurance under this contract terminates; or for any prosthetic dental appliances installed or delivered more than 90 days after the Insured's insurance under this contract terminates.
5. to replace lost or stolen appliances.
6. for any treatment which is for cosmetic purposes.
7. for any procedure not shown in the Table of Dental Procedures. (There may be additional frequencies and limitations that apply, please see the Table of Dental Procedures for details.)
8. for orthodontic treatment under this benefit provision. (If orthodontic expense benefits have been included in this policy, please refer to the Schedule of Benefits and Orthodontic Expense Benefits provision found on 9260).
9. for which the Insured person is paid benefits under any workmen's compensation or similar law, or charges for services or supplies received as a result of any dental condition caused or contributed to by an injury or sickness arising out of or in the course of any employment for wage or profit.
10. for charges which the Insured person is not liable or which would not have been made had no insurance been in force.
11. for services that are not required for necessary care and treatment or are not within the generally accepted parameters of care.
12. because of war or any act of war, declared or not.

## TABLE OF DENTAL PROCEDURES

### **PLEASE READ THE FOLLOWING INFORMATION CAREFULLY FOR YOUR PROCEDURE FREQUENCIES AND PROVISIONS.**

The attached is a list of dental procedures for which benefits are payable under this section; and is based upon the Current Dental Terminology © American Dental Association. **No benefits are payable for a procedure that is not listed.**

- Ø Your benefits are based on a Calendar Year. A Calendar Year runs from January 1 through December 31.
- Ø Benefit Period means the period from January 1 of any year through December 31 of the same year. But during the first year a person is insured, a benefit period means the period from his or her effective date through December 31 of that year.
- Ø Covered Procedures are subject to all plan provisions, procedure and frequency limitations, and/or consultant review.
- Ø Reference to "traumatic injury" under this plan is defined as injury caused by external forces (ie. outside the mouth) and specifically excludes injury caused by internal forces such as bruxism (grinding of teeth).
- Ø Benefits for replacement prosthetic crown, appliance, or fixed partial denture will be based on the prior placement date. Frequencies which reference Benefit Period will be measured forward within the limits defined as the Benefit Period. All other frequencies will be measured forward from the last covered date of service.
- Ø X-ray films, periodontal charting and supporting diagnostic data may be requested for our review.
- Ø We recommend that a pre-treatment estimate be submitted for all anticipated work that is considered to be expensive by our insured.
- Ø A pre-treatment estimate is not a pre-authorization or guarantee of payment or eligibility; rather it is an indication of the estimated benefits available if the described procedures are performed.

## ORTHODONTIC EXPENSE BENEFITS

We will determine orthodontic expense benefits according to the terms of the group policy for orthodontic expenses incurred by an Insured.

**DETERMINING BENEFITS.** The benefits payable will be determined by totaling all of the Covered Expenses submitted. This amount is reduced by the Deductible, if any. The result is then multiplied by the Coinsurance Percentage shown in the Schedule of Benefits. Benefits are subject to the Maximum Amount shown in the Schedule of Benefits.

**DEDUCTIBLE.** The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

**MAXIMUM AMOUNT.** The Maximum Benefit During Lifetime shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured during his or her lifetime.

**COVERED EXPENSES.** Covered Expenses refer to the usual and customary charges made by a provider for necessary orthodontic treatment rendered while the person is insured under this section. Expenses are limited to the Maximum Amount shown in the Schedule of Benefits and Limitations.

Usual and Customary ("U&C") describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from nationally recognized industry databases. From the array of charges ranked by amount, your Policyholder (in most cases your employer) has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by your provider and is not indicative of the appropriateness of the provider's fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

**ORTHODONTIC TREATMENT.** Orthodontic Treatment refers to the movement of teeth by means of active appliances to correct the position of maloccluded or malpositioned teeth.

**TREATMENT PROGRAM.** Treatment Program ("Program") means an interdependent series of orthodontic services prescribed by a provider to correct a specific dental condition. A Program will start when the active appliances are inserted. A Program will end when the services are done, or after eight calendar quarters starting with the day the appliances were inserted, whichever is earlier.

**EXPENSES INCURRED.** Benefits will be payable when a Covered Expense is incurred:

- a. at the end of every quarter (three-month period) of a Program for an Insured who pursues a Program, but not beyond the date the Program ends; or
- b. at the time the service is rendered for an Insured who incurs Covered Expenses but does not pursue a Program.

The Covered Expenses for a Program are based on the estimated cost of the Insured's Program. They are pro-rated by quarter (three-month periods) over the estimated length of the Program, up to a maximum of eight quarters. The last quarterly payment for a Program may be changed if the estimated and actual cost of the Program differ.

**LIMITATIONS.** Covered Expenses will not include and benefits will not be payable for expenses incurred:

1. for a Program begun on or after the Insured's 17 birthday.
2. for a Program begun before the Insured became covered under this section.
3. in the first 12 months that a person is insured if the person is a Late Entrant.
4. before the Insured has been insured under this section for at least 12 consecutive months.
5. in any quarter of a Program if the Insured was not covered under this section for the entire quarter.
6. if the Insured's insurance under this section terminates.
7. for which the Insured is paid benefits under any workmen's compensation or similar law, or for charges for services or supplies received as a result of any dental condition caused or contributed to by an injury or sickness arising out of or in the course of any employment for wage or profit.
8. for charges the Insured is not legally required to pay or would not have been made had no insurance been in force.
9. for services not required for necessary care and treatment or not within the generally accepted parameters of care.
10. because of war or any act of war, declared or not.
11. To replace lost or stolen appliances.

## COORDINATION OF BENEFITS

This section applies if an Insured person has dental coverage under more than one Plan definition below. All benefits provided under this policy are subject to this section.

**EFFECT ON BENEFITS.** The Order of Benefit Determination rules below determine which Plan will pay as the primary Plan. If all or any part of an Allowable Expense under this Plan is an Allowable Expense under any other Plan, then benefits will be reduced so that, when they are added to benefits payable under any other Plan for the same service or supply, the total does not exceed 100% of the total Allowable Expense.

If another Plan is primary and this Plan is considered secondary, the amount by which benefits have been reduced during the Claim Determination Period will be used by us to pay the Allowable Expenses not otherwise paid which were incurred by you in the same Claim Determination Period. We will determine our obligation to pay for Allowable Expenses as each claim is submitted, based on all claims submitted in the current Claim Determination Period.

**DEFINITIONS.** The following apply only to this provision of the policy.

1. “Plan” refers to the group policy and any of the following plans, whether insured or uninsured, providing benefits for dental services or supplies:
  - a. Any group or blanket insurance policy.
  - b. Any group Blue Cross, group Blue Shield, or group prepayment arrangement.
  - c. Any labor/management, trustees plan, labor organization, employer organization, or employee organization plan, whether on an insured or uninsured basis.
  - d. Any coverage under a governmental plan that allows coordination of benefits, or any coverage required or provided by law. This does **not** include a state plan under Medicaid (Title XVIII and XIX of the Social Security Act as enacted or amended). It also does not include any plan whose benefits by law are excess to those of any private insurance program or other non-governmental program.
2. “Plan” does **not** include the following:
  - a. Individual or family benefits provided through insurance contracts, subscriber contracts, coverage through individual HMOs or other prepayment arrangements.
  - b. Coverages for school type accidents only, including athletic injuries.
3. “Allowable Expense” refers to any necessary, reasonable and customary item of expense at least a portion of which is covered under at least one of the Plans covering the Insured person for whom that claim is made. When a Plan provides services rather than cash payments, the reasonable cash value of each service will be both an Allowable Expense and a benefit paid. Benefits payable under another Plan include benefits that would have been payable had a claim been made for them.
4. “Claim Determination Period” refers to a Benefit Period, but does not include any time during which a person has no coverage under this Plan.
5. “Custodial Parent” refers to a parent awarded custody of a minor child by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than half of the calendar year without regard to any temporary visitation.

**ORDER OF BENEFIT DETERMINATION.** When two or more Plans pay benefits, the rules for determining the order of payment are as follows:

1. A Plan that does not have a coordination of benefits provision is always considered primary and will pay benefits first.
2. If a Plan also has a coordination of benefits provision, the first of the following rules that describe which Plan pays its benefits before another Plan is the rule to use:
  - a. The benefits of a Plan that covers a person as an employee, member or subscriber are determined before those of a Plan that covers the person as a dependent.
  - b. If a Dependent child is covered by more than one Plan, then the primary Plan is the Plan of the parent whose birthday is earlier in the year if:
    - i. the parents are married;
    - ii. the parents are not separated (whether or not they ever have been married); or
    - iii. a court decree awards joint custody without specifying that one party has the responsibility to provide Dental coverage.

If both parents have the same birthday, the Plan that covered either of the parents longer is primary.

- c. If the Dependent child is covered by divorced or separated parents under two or more Plans, benefits for that Dependent child will be determined in the following order:
      - i. the Plan of the Custodial Parent;
      - ii. the Plan of the spouse of the Custodial Parent;
      - iii. the Plan of the non-Custodial Parent; and then
      - iv. the Plan of the spouse of the non-Custodial Parent.

However, if the specific terms of a court decree establish a parent's responsibility for the child's Dental expenses and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Claim Determination Periods or Benefit Periods commencing after the Plan is given notice of the court decree.

- d. The benefits of a Plan that cover a person as an employee who is neither laid-off nor retired (or as that employee's dependent) are determined before those of a Plan that covers that person as a laid-off or retired employee (or as that employee's dependent). If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.
      - e. If a person whose coverage is provided under a right of continuation provided by a federal or state law also is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree (or as that person's dependent) is primary, and the continuation coverage is secondary. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.
      - f. The benefits of a Plan that has covered a person for a longer period will be determined first.

If the preceding rules do not determine the primary Plan, the allowable expenses shall be shared equally between the Plans meeting the definition of Plan under this provision. In addition, this Plan will not pay more than what it would have paid had it been primary.

**RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION.** We may without your consent and notice to you:

1. Release any information with respect to your coverage and benefits under the policy; and
2. Obtain from any other insurance company, organization or person any information with respect to your coverage and benefits under another Plan.

You must provide us with any information necessary to coordinate benefits.

**FACILITY OF PAYMENT.** When other Plans make payments that should have been made under this Plan according to the above terms, we will, at our discretion, pay to any organizations making these payments any amounts that we decide will satisfy the intent of the above terms. Amounts paid in this way will be benefits paid under this Plan. We will not be liable to the extent of these payments.

**RIGHT OF RECOVERY.** When we make payments for Allowable Expenses in excess of the amount that will satisfy the intent of the above terms, we will recover these payments, to the extent of the excess, from any persons or organizations to or for whom these payments were made. The amount of the payments made includes the reasonable cash value of any benefits provided in the form of services.

## GENERAL PROVISIONS

**NOTICE OF CLAIM.** Written notice of a claim must be given to us within 30 days after the incurred date of the services provided for which benefits are payable.

Notice must be given to us at our Home Office, or to one of our agents. Notice should include the Policyholder's name, Insured's name, and policy number. If it was not reasonably possible to give written notice within the 30 day period stated above, we will not reduce or deny a claim for this reason if notice is filed as soon as is reasonably possible.

**CLAIM FORMS.** When we receive the notice of a claim, we will send the claimant forms for filing proof of loss. If these forms are not furnished within 15 days after the giving of such notice, the claimant will meet our proof of loss requirements by giving us a written statement of the nature and extent of loss within the time limit for filing proofs of loss.

**PROOF OF LOSS.** Written proof of loss must be given to us within 90 days after the incurred date of the services provided for which benefits are payable. If it is impossible to give written proof within the 90-day period, we will not reduce or deny a claim for this reason if the proof is filed as soon as is reasonably possible.

**TIME OF PAYMENT.** We will pay all benefits within 45 days of when we receive due proof.

If benefits are contested or denied, we will notify the Insured, in writing, which benefits are contested or denied within 45 days of when we received due proof. We will pay or deny any balance remaining on benefits for a claim within 60 days upon receipt of any additional information requested from the Insured. In no event will we hold a claim without paying or denying benefits any later than 120 days.

Payment is considered to be made on the date a draft or other valid instrument is placed in the United States mail in a properly addressed post paid envelope or, if not so posted, on the date of delivery.

We will pay interest at the rate of 10 percent per year on overdue payments on benefits for valid claims.

We will investigate any claim of improper billing of a claim by a Provider upon written notification by an Insured. We will determine if the Insured was properly billed for only those procedures that the Insured actually received. If we determine that the Insured was improperly billed, we will notify the Insured and the provider of our findings and will reduce the amount of payment by the amount determined to be improperly billed. If a reduction is made due to such notification by the Insured, we will pay the Insured 20 percent of the reduction up to \$500.

**PAYMENT OF BENEFITS.** All benefits will be paid to the Insured unless otherwise agreed upon through your authorization or provider contracts.

**FACILITY OF PAYMENT.** If an Insured or beneficiary is not capable of giving us a valid receipt for any payment or if benefits are payable to the estate of the Insured, then we may, at our option, pay the benefit up to an amount not to exceed \$5,000, to any relative by blood or connection by marriage of the Insured who is considered by us to be equitably entitled to the benefit.

Any equitable payment made in good faith will release us from liability to the extent of payment.

**PROVIDER-PATIENT RELATIONSHIP.** The Insured may choose any Provider who is licensed by the law of the state in which treatment is provided within the scope of their license. We will in no way disturb the provider-patient relationship.

**LEGAL PROCEEDINGS.** No legal action can be brought against us until 60 days after the Insured sends us the required proof of loss. No legal action against us can start more than the applicable statute of limitations after proof of loss is required.

**INCONTESTABILITY.** Any statement made by the Policyholder to obtain the Policy is a representation and not a warranty. No misrepresentation by the Policyholder will be used to deny a claim or to deny the validity of the Policy unless:

1. The Policy would not have been issued if we had known the truth; and
2. We have given the Policyholder a copy of a written instrument signed by the Policyholder that contains the misrepresentation.

The validity of the Policy will not be contested after it has been in force for one year, except for nonpayment of premiums or fraudulent misrepresentations.

**WORKER'S COMPENSATION.** The coverage provided under the Policy is not a substitute for coverage under a workmen's compensation or state disability income benefit law and does not relieve the Policyholder of any obligation to provide such coverage.

### E. Continuation of Coverage Provisions (COBRA)

COBRA (Consolidation Omnibus Budget Reconciliation Act of 1985) gives Qualified Beneficiaries the right to elect COBRA continuation after insurance ends because of a Qualifying Event. The law generally covers group health plans maintained by employers with 20 or more employees in the prior year. The law does not, however, apply to plans sponsored by the Federal government and certain church-related organizations.

#### i. Definitions For This Section

Qualified Beneficiary means an Insured Person who is covered by the plan on the day before a qualifying event. Any child born to or placed for adoption with a covered employee during the period of COBRA coverage is considered a qualified beneficiary.

2. The Member's employment terminates for reasons other than gross misconduct as determined by the Employer (hereinafter referred to as Qualifying Event 2);

  2. The date on which the Employer or Plan Administrator gave the Qualified Beneficiary notice of the right to COBRA continuation.
- B. A Qualified Beneficiary who does not elect COBRA Continuation coverage during their original election period may be entitled to a second election period if the following requirements are satisfied:
  1. The Member's Insurance ended because of a trade related termination of their employment, which resulted in being certified eligible for trade adjustment assistance;
  2. The Member is certified eligible for trade adjustment assistance (as determined by the appropriate governmental agency) within 6 months of the date Insurance ended due to the trade related termination of their employment; and
  3. The Qualified Beneficiary must apply in writing within 60 days after the first day of the month in which they are certified eligible for trade adjustment assistance.

  - a. The date of the Qualifying Event; or
  - b. The date the Qualified Beneficiary loses coverage due to the Qualifying Event.
5. The Employer must give the Plan Administrator written notice within 30 days of the occurrence of Qualifying Event 1, 2, 3, 5, or 7.
6. Within 14 days of receipt of the Employer's notice, the Plan Administrator must notify each Qualified Beneficiary in writing of the right to elect COBRA continuation.

In order to protect your rights, Members and Qualified Beneficiaries should inform the Plan Administrator in writing of any change of address.

#### **iv. COBRA Continuation Period**

##### **1. 18-month COBRA Continuation**

Each Qualified Beneficiary may continue Insurance for up to 18 months after the date of Qualifying Event 2 or 3.

##### **2. 29-month COBRA Continuation**

Each Qualified Beneficiary, who is entitled to COBRA continuation due to the occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, may continue coverage for up to 29 months after the date of the Qualifying Event. All Insured Persons in the Qualified Beneficiary's family may also continue coverage for up to 29 months.

##### **3. 36-Month COBRA Continuation**

If you are a Dependent, you may continue Coverage for up to 36 months after the date of Qualifying Event 1, 4, 5, or 6. Each Qualified Beneficiary who is entitled to continue Insurance for 18 or 29 months may be eligible to continue coverage for up

to 36 months after the date of their original Qualifying Event if a second Qualifying Event occurs while they are on continuation coverage.

Note: The total period of COBRA continuation available in 1 through 3 will not exceed 36 months.

4. COBRA Continuation For Certain Bankruptcy Proceedings

If the Qualifying Event is 7, the COBRA continuation period for a retiree or retiree's Spouse is the lifetime of the retiree. Upon the retiree's death, the COBRA continuation period for the surviving Dependents is 36 months from the date of the retiree's death.

**v. Premium Requirements**

Insurance continued under this provision will be retroactive to the date insurance would have ended because of a Qualifying Event. The Qualified Beneficiary must pay the initial required premium not later than 45 days after electing COBRA continuation, and monthly premium on or before the Premium Due Date thereafter. The monthly premium is a percentage of the total premium (both the portion paid by the employee and any portion paid by the employer) currently in effect on each Premium Due Date. The premium rate may change after you cease to be Actively at Work. The percentage is as follows:

18 month continuation - 102%

29 month continuation - 102% during the first 18 months, 150% during the next 11 months

36 month continuation - 102%

**vi. When COBRA Continuation Ends**

COBRA continuation ends on the earliest of:

1. The date the Group Policy terminates;
2. 31 days after the date the last period ends for which a required premium payment was made;
3. The last day of the COBRA continuation period.
4. The date the Qualified Beneficiary first becomes entitled to Medicare coverage under Title XVII of the Social Security Act;
5. The first date on which the Qualified Beneficiary is: (a) covered under another group Dental policy and (b) not subject to any preexisting condition limitation in that policy.

**F. Your Rights under ERISA**

As a participant in this Plan, you are entitled to certain rights and protections under the Employment Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

**Receive Information About Your Plan and Benefits**

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work-sites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

**Continue Group Health Plan Coverage**

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

**Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to operate and administer this plan prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

**Assistance with Your Rights**

If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C.

20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling those publications hotline of the Employee Benefits Security Administration.

Please note that certain state laws may also require specified claims payment procedures as well as internal appeal procedures and/or independent external review processes. Therefore, in addition to the review procedures defined below, you may also have additional rights provided to you under state law. If your state has specific grievance procedures, an additional notice specific to your state will also be included within the group policy and your certificate.

**CLAIMS FOR BENEFITS**

Claims may be submitted by mailing the completed claim form along with any requested information to:  
Standard Insurance Company

**NOTICE OF DECISION OF CLAIM**

We will evaluate your claim promptly after we receive it.

**Dental Utilization Review Program.** Generally, utilization review means a set of criteria designed to monitor the use of, or evaluate the medical necessity, appropriateness, or efficiency of health care services. We have established a utilization review program to ensure that any guidelines and criteria used to evaluate the medical necessity of a health care service are clearly documented and include procedures for applying such criteria based on the needs of the individual patients. The program was developed in conjunction with licensed dentists and is reviewed at least annually to ensure that criteria are applied consistently and are current with dental technology, evidence-based research and any dental trends.

We will provide you written notice regarding the payment under the claim within 30 calendar days following receipt of the claim. This period may be extended for an additional 15 days, provided that we have determined that an extension is necessary due to matters beyond our control, and notify you, prior to the expiration of the initial 30-day period, of the circumstances requiring the extension of time and the date by which we expect to render a decision. If the extension is due to your failure to provide information necessary to decide the claim, the notice of extension shall specifically describe the required information we need to decide the claim.

If we request additional information, you will have 45 days to provide the information. If you do not provide the requested information within 45 days, we may decide your claim based on the information we have received.

If we deny any part of your claim, you will receive a written notice of denial containing:

- e. A description of any additional information needed to support your claim and why such information is necessary.
- f. Information concerning your right to a review of our decision.
- g. Information concerning your right to bring a civil action for benefits under section 502(a) of ERISA following an adverse benefit determination on review.

## **APPEAL PROCEDURE**

If all or part of a claim is denied, you may request a review in writing within 180 days after receiving notice of the benefit denial.

You may send us written comments or other items to support your claim. You may review and receive copies of any non-privileged information that is relevant to your appeal. There will be no charge for such copies. You may request the names of the experts we consulted who provided advice to us about your claim.

The appeal review will be conducted by the Plan's named fiduciary and will be someone other than the person who denied the initial claim and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based in whole or in part on a medical judgment, including determinations with regard to whether a service was considered experimental, investigational, and/or not medically necessary, the person conducting the review will consult with a qualified health care professional. This health care professional will be someone other than the person who made the original judgment and will not be subordinate to that person. Our review will include any written comments or other items you submit to support your claim.

We will review your claim promptly after we receive your request.

If your appeal is about urgent care, you may call Toll Free at 877-897-4328, and an Expedited Review will be conducted. Verbal notification of our decision will be made within 72 hours, followed by written notice within 3 calendar days after that.

If your appeal is about benefit decisions related to clinical or medical necessity, a Standard Consultant Review will be conducted. A written decision will be provided within 30 calendar days of the receipt of the request for appeal.

If your appeal is about benefit decisions related to coverage, a Standard Administrative Review will be conducted. A written decision will be provided within 60 calendar days of the receipt of the request for appeal.

If we deny any part of your claim on review, you will receive a written notice of denial containing:

- a. The reasons for our decision.
- b. Reference to the parts of the Group Policy on which our decision is based.
- c. Reference to any internal rule or guideline relied upon in making our decision along with your right to receive a copy of these guidelines, free of charge, upon request.
- d. Information concerning your right to receive, free of charge, copies of non-privileged documents and records relevant to your claim.
- e. A statement that you may request an explanation of the scientific or clinical judgment we relied upon to exclude expenses that are experimental or investigational, or are not necessary or accepted according to generally accepted standards of Dental practice.
- f. Information concerning your right to bring a civil action for benefits under section 502(a) of ERISA.

Certain state laws also require specified internal appeal procedures and/or external review processes. In addition to the review procedures defined above, you may also have additional rights provided to you under state law. Please review your certificate for such information, call us, or contact your state insurance regulatory agency for assistance. In any event, you need not exhaust such state law procedures prior to bringing civil action under Section 502(a) of ERISA.

Any request for appeal should be directed to:

Quality Control, P.O. Box 82657, Lincoln, NE 68501-2657.
