

# Name One Thing Guaranteed For The Rest Of Your Life

For You, It Could Be Your Income

## Income For Life

If market fluctuations have you worried about your retirement income, consider an immediate annuity.

## No Guesses, Only Guarantees

Feel secure with an immediate annuity that can provide you guaranteed income. An immediate annuity from The Standard offers income guaranteed for as long as you choose - a certain period or for life. You will be able to know exactly how much income you will receive by converting a lump sum payment into a guaranteed income stream.

### Our Tailored Income Annuity can also provide:

- **Inflation Protection**
- **Life Income Commutation**

Plus, an immediate annuity allows payment of taxes on smaller, regular payments instead of a lump sum. Learn how a strong, safe, guaranteed immediate annuity from The Standard can help transform your retirement dreams into reality.
