Interest Rate Guarantee Periods and Interest Rates

The Interest Rate Guarantee Period is the time period for which the crediting interest rate is guaranteed.

Initial Interest Rate Guarantee Period for

the initial Surrender Charge Period:

Through the end of the third (3rd) Contract Year

Interest Rate Guarantee Period for

any subsequent Surrender Charge Period(s):

3 years*

Initial Effective Annual Interest Rate:

Initial Premium:

1.45%

Additional Premium Thereafter:

The interest rate in effect on the date we receive the premium payment. Such interest rate is guaranteed for the initial Interest Rate Guarantee Period.

*Interest Rate Guarantee Periods for subsequent Surrender Charge Period(s) are limited to not extend beyond the Contract Anniversary coinciding with or next following the (older) Annuitant's 115th birthday. Interest Rate Guarantee Periods after such date will be no less than one year.

The interest rate may change after the initial Interest Rate Guarantee Period. However, the guaranteed minimum effective annual interest rate credited to the value of the annuity fund will not be less than 0.10%.

Value of the Annuity Fund

The value of the annuity fund equals:

1. The initial premium; plus
2. Additional premium paid after the Contract Effective Date; plus
3. Interest credited; less
4. Net amounts surrendered; less
5. Surrender charges, as applicable; less
6. Premium tax, as applicable.

Minimum Nonforfeiture Value

The minimum nonforfeiture value of the Contract equals A, or B, or C, whichever is greatest, where:

A = The surrender value.

B = The minimum fund value.

C = The prospective fund value.

The minimum fund value equals (D - E) accumulated at F; where:

D = 87.50% of the Contract premium.

E = Amounts surrendered (not including surrender charges, Market Value Adjustment, premium tax (if applicable)).

F = 1.00% for the life of the Contract.

The prospective fund value equals (G - H) accumulated at I; where:

G = 90.60% of the Contract premium.

H = Amounts surrendered (not including surrender charges, Market Value Adjustment, premium tax (if applicable)).

I = 1.51% for the first ten Contract years; 0.00% thereafter.

Surrender Charges

The Surrender Charge Period is the period of time during which a surrender charge applies to benefits payable and surrenders under the Contract.

Contract Year of the initial Surrender Charge Period:

Surrender Charge Percentage:

First:	9.4%
Second:	8.5%
Third:	7.5%

Contract Year of any subsequent Surrender Charge Period:

Surrender Charge Percentage:

First:	9.4%
Second:	8.5%
Third:	7.5%

There is no surrender charge during the first 30 days of each subsequent Surrender Charge Period. During those 30 days you may choose one of the following options:

1. Renew your Contract and apply the current value of the annuity fund to the subsequent Surrender Charge Period.
2. Begin payments of the value of your annuity fund under a payment option without a surrender charge. See **Payment Options**.
3. Make a partial surrender without a surrender charge and apply the remaining value of your annuity fund to the subsequent Surrender Charge Period.
4. Surrender your Contract without a surrender charge

If you do not make a choice during that 30-day period, option 1 above automatically becomes effective.

Subsequent Surrender Charge Period(s): Two Subsequent Surrender Charge Periods. Note: Subsequent Surrender Charge Period(s) are limited to not extend beyond the Annuity Date.

We will provide you with Written Notice of your options above at least 30 days before each subsequent Surrender Charge Period begins.

Annuity Benefit Amount

The annuity benefit will be: (1) the value of the annuity fund on the date of Annuitization; or (2) the minimum nonforfeiture value, reduced by any applicable premium tax, as of the date of Annuitization; whichever is greater.

Death Benefit Amount

The amount of the death benefit equals: (1) the value of the annuity fund on the date of death; or (2) the minimum nonforfeiture value as of the date of death; whichever is greater.

Payment Options Values

The Contract provides for your selection of benefit payment options. The basis for determining minimum payment option values at the time payments are to begin is the 2012 Individual Annuity Reserve Table and annual interest equal to 0.10%. See **Payment Options Provisions**.

Such notice by us will be sent to you at the last known address on our records. You must notify us of any address changes. We are not liable for any action taken by us prior to our receipt of Written Notice.

Annuity Fund

A. Premium.

Premium must be paid to us at our home office.

You may pay additional premium during a limited time period after the Contract Effective Date. See **Contract Data**.

Note: If a check for the initial premium is not honored when first presented for payment, the Contract is: (a) void; and (b) considered never in force.

B. Premium Tax.

Premium tax is imposed on annuities in some states. If a premium tax is assessed when the premium is paid, we will deduct it from the premium payment. If a premium tax is assessed any other time, we will deduct it from the benefit payable or the amount surrendered, as applicable.

C. Value of the Annuity Fund.

The value of the annuity fund is used in determining the amount available to provide benefits under the Contract. The value of the annuity fund is determined as shown in **Contract Data** (see **Value of the Annuity Fund** and **Minimum Nonforfeiture Value**).

D. Credited Interest.

Interest, as applicable, is credited daily.

The initial premium will be credited with the initial guaranteed effective annual interest rate. See **Contract Data**. We reserve the right to credit each additional premium paid after the Contract Effective Date with a different effective annual interest rate.

After the initial guaranteed interest rate period for each premium ends, the effective annual interest rate may change. However, the interest rates to determine your benefits under the Contract will never be less than those required in accordance with **Minimum Nonforfeiture Value** shown in **Contract Data**.

Benefit Provisions

Annuity Benefits

A. Annuity Benefit Payments.

Annuity benefit payments are paid to the Owner(s). Annuity benefit payments, i.e. Annuitization, will begin if:

1. An Annuitant is alive on the Annuity Date;
2. No payment of death benefits has begun; and
3. The payment option has been selected and we have approved the choice.

Note: Our approval is based on our determination of whether or not: (a) the payment option is available under the Contract; (b) the payment option conforms to applicable IRC regulations; and (c) the payment option application form is thoroughly and accurately completed. See **Payment Options**.

You may elect to Annuitize the Contract at any time while the Contract is in force provided:

1. No payment of death benefits has begun; and
2. The Contract, or lost contract statement, is returned to us.

B. Annuity Benefit Amount.

The annuity benefit is the amount that, when applied to a payment option, determines the annuity benefit payments. The annuity benefit will be:

1. The value of the annuity fund on the date of Annuitization; or
2. The minimum nonforfeiture value, reduced by any applicable premium tax, as of the date of Annuitization;

whichever is greater.

The annuity benefit is not payable as a lump sum payment. The annuity benefit payments will be no less than that provided by using the applicable surrender value of the annuity fund as premium for a single premium immediate annuity issued by us at time of Annuitization.

If, for any reason, we have not begun payments within 30 days after the date such annuity benefit payments are to begin, we will credit interest to the annuity fund on the late annuity benefit payment(s) from the date the annuity benefit payments were to have been paid to the date of payment. We will credit such interest at the rate required by law.

Surrender Benefits

A. Total Surrender.

You may surrender the Contract during any Annuitant's lifetime on or before the Annuity Date. To surrender the Contract, you must:

1. Provide us with Written Notice of: (a) your intent to surrender the Contract; and (b) your choice of a lump sum surrender or other payment option chosen by you. See **Payment Options**.
2. Return the Contract, or lost contract statement, to us.

The total surrender value equals:

1. The value of the annuity fund on the date of the surrender, reduced by a surrender charge, as applicable; or
2. The minimum nonforfeiture value as of the date of surrender;

whichever is greater. See **C. Surrender Charge** in this **Surrender Benefits** section.

If the total surrender value is less than \$5,000, we will pay the benefit in a lump sum.

B. Partial Surrender.

You may request a partial surrender of the Contract during any Annuitant's lifetime on or before the Annuity Date, subject to the following:

1. No payment may be less than \$500.
2. The remaining value of the annuity fund after payment of the partial surrender may not be less than \$2,000.

You must provide us with Written Notice of the amount you wish to surrender. The partial surrender benefit will be reduced by surrender charges, as applicable. We will pay the benefit in a lump sum or according to any other payment option you select.

C. Surrender Charge.

We will reduce benefits paid under the Contract or any amount you surrender by a surrender charge, as applicable. The amount of the surrender charge equals: (a) the amount to be surrendered or the amount of the benefit to be paid, as applicable; times (b) the surrender charge percentage that applies to the Contract Year in which the surrender or benefit payment occurs. See **Contract Data**.

There will be no surrender charge for a surrender occurring or benefit paid after the end of the last Contract Year in which surrender charges apply. There will be no surrender charge for Annuitization or a surrender occurring on or after the Annuity Date.

D. Deferral.

Subject to written request of and approval by the Commissioner or Director of Insurance, we may defer payment of a total or partial surrender for up to six months. If we are going to make such deferral, we will notify you by Written Notice. If we defer such payments for more than 30 days, we will credit interest to the deferred payment from the date of the deferral to the date of payment. We will credit such interest at the rate required by law.

Death Benefits

A. Death of Owner.

We will pay a death benefit if: (a) an Owner dies before the Annuity Date; or (b) you are a non-natural Owner (e.g., corporation or trust) and any Annuitant dies before the Annuity Date. The death benefit will be paid as follows:

1. To the surviving joint Owner, if any; otherwise
2. To the Beneficiary, if living; otherwise
3. To your estate, if you are a natural Owner; otherwise
4. To the Annuitant's estate if you are a non-natural Owner.

The death benefit will be paid under **Restriction of Choice**.

B. Death of Annuitant.

No death benefit is payable upon death of an Annuitant before the Annuity Date unless the Owner is: (a) the Annuitant; or (b) a non-natural Owner. See **Death of Owner**.

C. Amount of Death Benefit.

The amount of the death benefit equals:

1. The value of the annuity fund on the date of death; or
2. The minimum nonforfeiture value as of the date of death;

whichever is greater.

D. Payment of Death Benefit.

In order to pay a death benefit, we must receive proof of death satisfactory to us, including one of the following, as applicable:

1. A certified death certificate.
2. A certified decree of a court of competent jurisdiction as to the finding of death.
3. A written statement by a medical doctor who attended the deceased.

Also, in order to pay a death benefit, the Contract, or lost contract statement, must be returned to us.

Payment of the death benefit will be made: (a) in a lump sum; or (b) under any other payment option chosen by you. See **Payment Options**. If you did not choose a payment option before the date of your death, the surviving joint Owner or Beneficiary must choose a payment option within 60 days after we receive proof of death satisfactory to us. If no payment option has been chosen within those 60 days, we will make payments under the "life income with 10-year certain period" payment option. However:

1. See **Restriction of Choice** for payment options regulated under the Internal Revenue Code, where applicable.
2. If the death benefit is less than \$5,000, payment will be in a lump sum.

If, for any reason, we have not begun payments within the time required by law, we will credit interest to the annuity fund as required by law to the date of payment. We will credit such interest at the rate required by law.

E. Restriction of Choice.

A chosen payment option may be restricted or modified according to the Internal Revenue Code Section 72(s), if:

1. You are a natural Owner and die before the Annuity Date; or
2. You are a non-natural Owner and any Annuitant dies before the Annuity Date.

In either case the death benefit must be paid as follows:

1. The total death benefit must be paid within five years of the date of death; or
2. The surviving joint Owner or surviving Beneficiary may elect to have payments paid over the lifetime of the joint Owner or Beneficiary, provided:
 - a. The payments must begin within one year of the date of death; and
 - b. Payments are not to extend beyond the joint Owner's or Beneficiary's life expectancy.

Exception. The Contract may be continued rather than the death benefit being paid, as follows:

1. If your spouse is the surviving joint Owner, the Contract may be continued.
2. If: (a) there is no surviving joint Owner; and (b) your spouse as recognized under federal law is the surviving Beneficiary; then (c) the Contract may be continued as though the spouse were the Owner.

Any instructions or designations of the prior Owner(s) will continue unless changed in accordance with the terms of the Contract by the succeeding Owner(s).

Unless otherwise permitted under the Internal Revenue Code of 1986, as amended, if you die after annuity benefit payments have begun, the remaining portion of your annuity benefit payments, if any, will be paid at least as rapidly as under the method of payment being used as of the date of your death.

For purposes of this **Restriction of Choice** provision, if: (a) the Owner is a non-natural Owner; and (b) any Annuitant dies; then (c) such Annuitant will be treated as the Owner.

F. Beneficiary.

Beneficiary means a person or entity you name to receive death benefits. You may name one or more Beneficiaries. You may name or change Beneficiaries and you may provide for more than one class of Beneficiary at any time by providing us with a written designation. A Beneficiary designated as irrevocable may not be changed without the written consent of that Beneficiary. Your designation:

1. Must be dated and signed by you.
2. Must be delivered to us while: (a) the Contract is in force; and (b) you are living.

A change in Beneficiary is subject to our approval. Our approval is based on whether or not such change is requested by someone who has the legal authority to effect such change. The effective date of any change in Beneficiary will be: (a) the date your Written Notice of such change is signed by you; or (b) the date you request in your Written Notice; whichever is applicable. We are not liable for any action taken by us prior to our approval.

We will pay death benefits to the Beneficiary(ies) in the highest class in which there is a surviving Beneficiary. If you name two or more Beneficiaries in a class:

1. Two or more surviving Beneficiaries will share equally, unless you provide for unequal shares.

2. If you provide for unequal shares in a class and two or more Beneficiaries in that class survive, we will pay each surviving Beneficiary the applicable designated share. Unless you provide otherwise, we will pay shares otherwise due to any deceased Beneficiary(ies) to the surviving Beneficiaries pro rata based on the relationship: (a) the proportionate share of each surviving Beneficiary; bears to (b) the total shares of all surviving Beneficiaries in that class.
3. If only one Beneficiary in a class survives, we will pay the total death benefits to that Beneficiary.

G. Surviving Beneficiary.

The Beneficiary must survive you by at least 15 days in order to receive death benefits. Benefits will be paid as if the Beneficiary died before you if a Beneficiary dies: (a) on the same day you die; or (b) before the end of the 15-day period from your date of death.

H. No Surviving Beneficiary.

If: (a) death benefits are payable to a Beneficiary; and (b) there is no designated Beneficiary; or (c) there is no surviving Beneficiary:

1. Benefits will be paid to your estate; or
2. If you are a non-natural Owner, benefits will be paid to: (a) the Annuitant's estate; and (b) the joint Annuitant's estate, if any.

I. Payment in Advance.

A Beneficiary may not commute, encumber, alienate, or assign any payments under the Contract before they are due. Also, no payments will be subject to the debts, contracts, or engagements of the Beneficiary unless: (a) such payment complies with applicable state and federal law; and (b) we have provided you with prior Written Notice of our consent.

Payment Options Provisions

A. Payment Options.

You may choose amounts to be paid on a monthly, quarterly, semi-annual or annual mode by providing us with Written Notice of such payment mode before payments begin. The following payment options are available under the Contract. If, at the time of selection, we offer the payment option on a more favorable basis, we will provide the payment option that results in the higher benefits.

1. Option 1: Certain Period.

We will pay equal benefit payments for the certain period you select. If you die before the end of that certain period, we will continue the benefit payments for the balance of the period to: (a) the joint Owner, if any; or (b) the Beneficiary. Benefit payments will automatically cease as of the end of that certain period.

2. Option 2: Life Income Options.

a. Life Income.

We will pay equal benefit payments while the Annuitant is living. Benefit payments will automatically cease upon the death of the Annuitant.

b. Life Income with Certain Period.

We will pay equal benefit payments for the certain period you select.

If the Annuitant is living at the end of the certain period: (a) we will continue the benefit payments while the Annuitant is living; and (b) benefit payments will automatically cease upon the death of the Annuitant.

If the Annuitant dies before the certain period ends: (a) we will pay benefit payments in the same mode and amount for the balance of the certain period; and (b) benefit payments will automatically cease as of the end of the certain period.

3. Option 3: Joint and Survivor.

a. Joint and Survivor Life Income.

We will pay equal benefit payments while either of the Annuitants is living. Upon the death of one Annuitant, we will continue the benefit payments for the life of the surviving Annuitant. Benefit payments will automatically cease upon the death of the last Annuitant.

b. Joint and Survivor Life Income with Certain Period.

We will pay equal benefit payments for the certain period you select.

If an Annuitant is living at the end of the certain period, we will continue the benefit payments while an Annuitant is living. Benefit payments will automatically cease upon the death of the last Annuitant.

c. Joint and Reduced Survivor Life Income.

We will pay equal benefit payments while both of the Annuitants are living. Upon the death of one Annuitant: (a) we will continue benefit payments for the life of the surviving Annuitant; and (b) the amount of each benefit payment will be the percentage you select of the amount of each benefit payment prior to that Annuitant's death. Benefit payments will automatically cease upon the death of the last Annuitant.

d. Joint and Contingent Survivor Life Income.

You must identify a primary Annuitant and a contingent Annuitant. We will pay equal benefit payments while both Annuitants are living. Upon the death of an Annuitant:

1. **Death of primary Annuitant:** We will continue to pay benefit payments for the life of the surviving contingent Annuitant. However, the amount of each benefit payment will be the percentage selected of the amount of each benefit payment prior to that Annuitant's death.
2. **Death of contingent Annuitant.** We will continue benefit payments for the life of the surviving primary Annuitant.

Benefit payments will automatically cease upon the death of the last Annuitant.

4. Option 4: Lump Sum.

We will pay benefits in one lump sum.

Other options may be available, subject to our approval.

B. Choice of Payment Option.

Choice of payment option may be as follows:

1. Owner's Choice.

You may choose or change a payment option by sending us Written Notice: (a) before payments begin; and (b) while the Contract is in force.

2. Choice by Default.

If we have not received Written Notice of the payment option before payments begin and while the Contract is in force, the “life income with 10-year certain period” payment option will automatically become effective. If there are joint Annuitants, the “joint and 100% survivor life income with ten-year certain period” payment option will automatically become effective.

3. Lump Sum Payment.

If the value of the annuity fund is less than \$5,000, we will pay the benefit in a lump sum.

The choice of payment option may be restricted or modified to comply with the Internal Revenue Code and Regulations.

C. Required Information.

We require proof satisfactory to us of gender, if necessary, and Age before the first payment is made under a payment option involving lifetime benefits.

Owner Provisions

A. Rights of Owner.

Subject to the rights of any assignee under an assignment filed with us, you may exercise all rights and privileges under the Contract, including transfer of ownership, provided you exercise such rights while you and the Annuitant are living.

Any change to the Contract must be signed by the Owner(s). A change of Owner is subject to our approval in that it must be allowable under applicable law.

The effective date of any change of Owner will be: (a) the date your Written Notice of change of Owner is signed by you; or (b) the date you request in such Written Notice; whichever is applicable.

B. Joint Owners.

Two natural persons may be named as joint Owners. Joint Owners own the Contract as joint tenants with rights of survivorship. While both joint Owners are alive, any Written Notice provided to us must be signed by both Owners.

C. Assignment.

You may assign the Contract by providing us Written Notice of your assignment. An assignment will not affect any payment we made or actions taken before we receive and approve your assignment. An assignment is subject to our approval in that it must be allowable under applicable law.

We are not responsible for the validity of any assignment. Any assignment must include written consent by the irrevocable Beneficiary, if any.

The effective date of any assignment will be: (a) the date your Written Notice of assignment is signed by you; or (b) the date you request in such Written Notice; whichever is applicable.

An assignment will make the assignee the new Owner of the Contract. An assignment affects only your ownership of the Contract and does not change the Annuitant or the Beneficiary. However, a collateral assignment will not make the collateral assignee the new Owner. The rights of a Beneficiary are subordinate to those of the assignee unless the Beneficiary has been designated as an irrevocable Beneficiary prior to the assignment.

D. Payment in Advance.

An Owner may not commute, encumber, alienate or assign any payments under the Contract before they are due. Also, no payments will be subject to the debts, contracts or engagements of any Owner unless: (a) such payment complies with applicable state and federal law; and (b) we have provided you with prior Written Notice of our consent.

Annuitant Provisions

A. Named Annuitant.

You must name at least one Annuitant under the Contract. You must name a new Annuitant if: (a) the last Annuitant dies before the Annuity Date; and (b) the Contract is in force. If: (a) the last Annuitant dies before the Annuity Date; and (b) no new Annuitant is named; then (c) the Owner will become the Annuitant. With respect to a new Annuitant, the Annuity Date:

1. May stay the same or be changed to an earlier date; but
2. May not be changed to a later date.

The Annuity Date will stay the same unless you provide us Written Notice of your intent to change the Annuity Date to an earlier date.

B. Change of Annuitant.

Except as noted in **Named Annuitant**, the Annuitant(s) may not be changed unless:

1. The Annuitant is also an Owner and dies, and there is a surviving spouse. In such case, your surviving spouse will automatically become the Owner/Annuitant provided: (a) there is no surviving Owner; and (b) such spouse is also the designated Beneficiary. The Annuity Date for the surviving spouse will be determined using the later of:
 - a. Your birth date.
 - b. Your spouse's birth date.
2. The Owner(s) is a natural person and the Annuitant: (a) dies before the Annuity Date; and (b) is not the Owner's spouse. In such case the Annuity Date:
 - a. May stay the same or be changed to an earlier date; but
 - b. May not be changed to a later date.

The Annuity Date will stay the same unless you provide us Written Notice of your intent to change the Annuity Date to an earlier date.

The Annuitant(s) may not be changed on or after the Annuity Date.

C. Payment in Advance.

An Annuitant may not commute, encumber, alienate or assign any payments under the Contract before they are due. Also, no payments will be subject to the debts, contracts or engagements of the Annuitant unless: (a) such payment complies with applicable state and federal law; and (b) we have provided you with prior Written Notice of our consent. However, an Annuitant who is also the Owner has all rights as Owner under the Contract.

General Provisions

A. Entire Contract; Changes.

The following constitute the entire contract between the parties: (a) the Contract; (b) all attachments, including any amendments, riders, endorsements; (c) the application; and (d) any application supplements. The application and any application supplements are attached to the Contract when issued. The Contract may be changed in whole or in part. However, no one, including an agent, has the authority to change or waive any part of the Contract unless: (a) it is approved in advance and in writing by at least one of our corporate officers; and (b) it is given to the Owner(s) for acceptance and attachment to the Contract.

B. Contract.

The Contract: (a) takes effect on the Contract Effective Date; and (b) will remain in force until canceled or otherwise terminated. The Contract will be canceled automatically on the earliest of the following dates: (a) the Annuity Date (see **Contract Data**); (b) the date of Annuity (see **Annuity Benefits**); (c) the Contract is totally surrendered (see **Surrender Benefits**); and (d) the date of payment of death benefits (see **Death Benefits**).

C. Premium; Credited Interest.

The initial premium, any additional premium, and any interest credited to your annuity fund under the Contract become part of our general corporate funds.

D. Conformity with State Laws.

Any provision of the Contract that, on its effective date, conflicts with the laws of the state in which the Contract is delivered is amended to meet the minimum requirements of such laws applicable to the Contract.

E. Time Limits on Legal Actions.

No action at law or in equity may be brought until 60 days after we receive proof of entitlement to benefits. No such action may be brought more than five years after the earlier of:

1. The date we receive proof of entitlement to benefits.
2. The time within which proof of entitlement to benefits is required to be given.

F. Misstatement.

All statements made in the application and any application supplement, in the absence of fraud, are deemed representations and not warranties. If Age or gender of an Owner or Annuity has been misstated, we will make an equitable adjustment of benefits so that the amount payable will be such as the premium would have purchased at the correct gender and Age. If we have underpaid any benefits:

1. We will pay the underpaid amount in full with the next benefit payment; or
2. In the case of a single lump sum payment having been underpaid, we will pay the underpaid amount in full within 30 days of our determination of the underpayment.

If we have overpaid any benefits:

1. We will deduct the overpaid amount from future benefit payments until we are paid in full; or
2. In the case of: (a) the total of future benefit payments not being sufficient to cover the overpayment; or (b) a single lump sum payment having been overpaid; then (c) you must repay us the amount of the overpayment within 30 days of our Written Notice to you of the amount of the overpayment.

The interest rate applicable to overpayment and underpayment amounts will be based on the interest rate credited to the annuity fund during the period of the misstatement. However, the interest rate will not exceed: (a) the maximum interest rate allowed by law; or (b) an effective annual interest rate of six percent (6.00%); whichever is less.

G. Incontestability.

Subject to **Misstatement**, the Contract is incontestable after the Contract has been in force for two years during your lifetime.

H. Notice.

No changes, assignments and requests will affect us unless:

1. They have been signed by the Owner(s);
2. We have received them at our home office; and
3. Where required, we have approved them.

I. Reports.

Each Contract Year while the Contract is in force we will provide you with a report. The report will include:

1. The dates of the reporting period.
2. The value of the annuity fund at the beginning and at the end of the reporting period.
3. The interest credited.
4. Any partial surrenders and surrender charges.
5. The cash surrender value, if any, at the end of the reporting period.
6. The amount of any outstanding loan balances at the end of the reporting period, as applicable and if allowed under the Contract.
7. The amount of the death benefit at the end of the reporting period.
8. Any other values that may be required by the laws of the state where the Contract was delivered, as applicable.

You may request such report at any time with Written Notice to us.

J. Minimum Values.

Any paid-up annuity, cash surrender values or death benefits that may be available under the Contract will not be less than the minimum benefits required by the NAIC Standard Nonforfeiture Law for Individual Deferred Annuities, Model #805. Death benefits will be at least as great as the cash surrender value.

K. Effect of Internal Revenue Code.

The Contract is intended to comply with: (a) the requirements of the Internal Revenue Code of 1986, as amended; and (b) all applicable Regulations ("Code"). In the event of any conflict between the Contract and the Code, the Code will govern in order to maintain treatment of the Contract as an annuity under the Code.

Rider Effective Date:	January 01, 2021
Market Value Adjustment Index:	Bloomberg Fair Value U.S. Dollar Denominated U.S. Industrial A 3 Year.

"Bloomberg Fair Value U.S. Dollar Denominated U.S. Industrial A" is an index developed by Bloomberg L.P. The Product is not sponsored, endorsed, sold or promoted by Bloomberg L.P. and Bloomberg L.P. makes no representation regarding the advisability of purchasing the Product.

The Contract is amended as follows:

1. The **Definitions** section of the Contract is amended to add the following definitions:

Market Value Adjustment: An adjustment to an amount surrendered commencing during the Market Value Adjustment Period.

Market Value Adjustment Period: The period beginning on the date the current Surrender Charge Period begins and running concurrently with that Surrender Charge Period.

2. The **Benefit Provisions** section of the Contract is amended to add the following **Market Value Adjustment** section:

Market Value Adjustment

A. Market Value Adjustment.

Amounts surrendered commencing during the Market Value Adjustment Period are subject to a Market Value Adjustment. The Market Value Adjustment is determined as follows:

(A - B - C) times D; where:

A = The amount of the value of the annuity fund surrendered.

B = The amount of the value of the annuity fund surrendered that is not subject to a surrender charge.

C = The applicable surrender charge.

D = The Market Value Adjustment Factor.

The Market Value Adjustment Factor is determined as follows:

$$\left\{ \left(\frac{1+X}{1+Y} \right)^{N/12} \right\} - 1; \text{ where:}$$

X = The index rate as of the beginning of the Market Value Adjustment Period.

Y = The index rate as of the date we receive the request for surrender.

N = The number of months remaining to the end of the Market Value Adjustment Period, rounded up to the next higher number of months.

The index rate as of any given date is based on:

- a. The four-week average of the Market Value Adjustment Index shown above; ending on
- b. The third Friday of the preceding calendar month.

When “X” is greater than “Y”, the Market Value Adjustment: (1) is positive; and (2) increases the surrender value.

When “X” is less than “Y”, the Market Value Adjustment: (1) is negative; and (2) decreases the surrender value.

The Market Value Adjustment will not increase or decrease your surrender value by more than:

- a. The value of the annuity fund, reduced by surrender charges (see **Contract Data**); minus
- b. The minimum fund value (see **Contract Data**).

B. Change of Index.

If the Market Value Adjustment Index is discontinued: (1) we may change the method for determining the index rates, subject to regulatory approval, as applicable; and (2) we will provide you with Written Notice of the change.

C. Waiver of Market Value Adjustment.

During the Market Value Adjustment Period, we will not apply a Market Value Adjustment for any Contract benefits for which surrender charges are waived during the Surrender Charge Period.

3. The value of the annuity fund, the surrender value, and the prospective fund value are subject to adjustment under the terms of the **Market Value Adjustment** section of the Contract.
4. The **Total Surrender** and the **Partial Surrender** provisions in the **Surrender Benefits** section are amended to provide:

The amount of any total surrender or partial surrender under the Contract is subject to adjustment under the terms of the **Market Value Adjustment** section of the Contract. Accordingly, the value of the annuity fund and the prospective fund value used to determine the total surrender value are subject to adjustment under the terms of the **Market Value Adjustment** section of the Contract.

5. The **Reports** provision in the **General Provisions** section of the Contract is amended to provide that with respect to the market value adjustment feature, the report will include at least the following:
 - a. An indication of whether or not the surrender value is prior to or after the application of any market value adjustment formula; and
 - b. The market value adjustment formula or market value adjustment amount used to determine the surrender value.
6. **Rider Termination.** This rider and the benefits under it automatically terminate on the earliest of the following dates:
 - a. The date the Contract is surrendered.
 - b. The date the Contract is Annuitized.
 - c. The date the Contract is terminated.

PART OF CONTRACT -- This rider is part of the Contract to which it is attached. All Contract terms will apply to this rider unless they: (a) have been changed by this rider; or (b) conflict with this rider.
