

**Voluntary Long Term Disability (LTD) Insurance**

Long Term Disability insurance is designed to pay a monthly benefit to you in the event you cannot work because of a covered illness or injury. This benefit replaces a portion of your income, thus helping you to meet your financial commitments in a time of need. Standard Insurance Company (The Standard) has developed this document to provide you with information about the optional coverage you may select through Oregon Educators Benefit Board.

**Eligibility Requirements**

**Employee** To be eligible for LTD insurance coverage:

- You must be a regular employee of an employer participating in the Oregon Educators Benefit Board (OEBB) LTD insurance group policy
- You must meet other eligibility requirements included in the member definition of the group policy and as required and determined by OEBB
- Your employer must have elected to make LTD coverage available to employees in your classification
- You must not be a full-time member of the armed forces of any country

Please see your human resources representative for additional information on the definition of member and becoming eligible for OEBB LTD coverage.

**Benefit Amount**

**Benefit Percentage** Your monthly benefit is 60 percent of the first \$13,333 of your insured predisability earnings reduced by deductible income

**Plan Maximum Monthly Benefit** \$8,000

**Plan Minimum Monthly Benefit** \$100 or 10% of LTD benefit before reduction by deductible income, whichever is greater

**Disability Needs Calculator**

Your family has a unique set of circumstances and financial demands. To help you figure out the amount of Disability insurance you may need if you become unable to work, The Standard has created a Disability Needs Calculator found at: <http://www.standard.com/calculators/dineeds.html>

**Becoming Insured**

Coverage under LTD Plan 2 is voluntary. This means you decide whether or not you wish to apply. If you select coverage, your employer requires that you pay the cost.

Coverage will be effective on the first day of the calendar month following the later of (a) the date you become an eligible employee and complete any eligibility waiting period, or (b) the date you apply, provided you apply within 31 days after becoming eligible and have served any eligibility waiting period. If you do not apply within 31 days after becoming eligible, you may only apply during an OEBB annual enrollment period or within 31 days of a qualifying family status change. In both situations you will be required to submit satisfactory evidence of insurability.

For insurance applied for during an OEBB annual enrollment period, assuming the active work requirement is met, insurance becomes effective the later of (a) the first day of the plan year following the date you apply, and (b) the first day of the calendar month following the date The Standard approves your evidence of insurability. For insurance applied for due to a family status change, assuming the active work requirement is met, insurance becomes effective the first day of the calendar month following the latest of (a) the date you apply, (b) the date of the family status change, and (c) the date The Standard approves your evidence of insurability. Meeting the active work requirement means that if you are not actively at work on the day before the scheduled effective date of

insurance, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee.

Please contact your human resources representative for more information regarding the requirements that must be satisfied for your insurance to become effective.

**Understanding Your Plan Design**

**Benefit Waiting Period** If your claim for LTD benefits is approved by The Standard, benefits become payable after you have been continuously disabled for 60 days and remain disabled. Benefits are not payable during the benefit waiting period.

**Own Occupation Definition of Disability** For the benefit waiting period and the first 24 months for which LTD benefits are paid, you are considered disabled when you are unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of your own occupation **AND** are suffering a loss of at least 15 percent of your indexed predisability earnings when working in your own occupation. You are not disabled merely because your right to perform your own occupation is restricted, including a restriction or loss of license.

**Any Occupation Definition of Disability** After the own occupation period of disability, you will be considered disabled if you are unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of any occupation.

**Maximum Benefit Period** If you become disabled before age 62, LTD benefits may continue during disability until age 65 or to the Social Security Normal Retirement Age (SSNRA) or 3 years 6 months, whichever is longer. If you become disabled at age 62 or older, the benefit duration is determined by the age when disability begins:

<b>Age</b>	<b>Maximum Benefit Period</b>
62	To SSNRA, or 3 years 6 months, whichever is longer
63	To SSNRA, or 3 years, whichever is longer
64	To SSNRA, or 2 years 6 months, whichever is longer
65	2 years
66	1 year 9 months
67	1 year 6 months
68	1 year 3 months
69+	1 year

**Deductible Income** Deductible income is income you receive or are eligible to receive while LTD benefits are payable. Deductible income includes, but is not limited to:

- Sick pay, annual or personal leave pay, severance pay or other forms of salary contribution (including donated amounts) paid
- Benefits under any workers' compensation law or similar law
- Amounts under unemployment compensation law
- Social Security disability or retirement benefits, including benefits for your spouse and children
- Disability benefits from any other group insurance
- Disability or retirement benefits under your employer's retirement plan
- Benefits under any state disability income benefit law or similar law
- Earnings from work activity while you are disabled, plus the earnings you could receive if you work as much as your disability allows
- Amounts due from or on behalf of a third party because of your disability, whether by judgment, settlement or other method
- Any amount you receive by compromise, settlement or other method as a result of a claim for any of the above

**Benefit Calculation**

**Example**

The LTD benefit amount is determined by multiplying your insured predisability earnings by the specified benefit percentage. This amount is then reduced by deductible income. In the example below, the LTD benefit amount is 60 percent of insured predisability earnings. If your monthly earnings before becoming disabled were \$4,500, and you now receive a monthly Social Security disability benefit of \$1,200 and a monthly retirement benefit of \$900, your monthly LTD benefit would be calculated as follows:

Insured predisability earnings	\$4,500
LTD benefit percentage	X 60%
	\$2,700
Less Social Security disability benefit	-\$1,200
Less retirement benefit	-\$900
<b>Amount of LTD benefit</b>	<b>\$600</b>
