

Voluntary Short Term Disability (STD) Insurance

Short Term Disability insurance pays a weekly benefit in the event you cannot work because of a covered illness or injury. An STD benefit replaces a portion of your weekly income, providing funds directly to you to help pay your bills and living expenses. Standard Insurance Company (The Standard) has developed this document to provide you with information about the optional coverage you may select through Oregon Educators Benefit Board.

Eligibility Requirements

- Employee** To be eligible for STD insurance coverage:
- You must be a regular employee of an employer participating in the Oregon Educators Benefit Board (OEBB) STD insurance group policy
 - You must meet other eligibility requirements included in the member definition of the group policy and as required and determined by OEBB
 - Your employer must have elected to make STD coverage available to employees in your classification
 - You must not be a full-time member of the armed forces of any country
- Please see your human resources representative for additional information on the definition of member and becoming eligible for OEBB STD coverage.

Benefit Amount and Duration

- Benefit Percentage** Your weekly STD benefit is 60 percent of the first \$2,500 of your weekly insured predisability earnings, reduced by deductible income
- Benefit Waiting Period** 30 days*
- Plan Minimum Weekly Benefit** \$15
- Maximum Benefit Period** 60 days. However, STD Benefits will end on the date Long Term Disability benefits become payable to you under a group plan provided by your employer, even if that occurs before the 60 days.

*Late enrollment penalty: If you apply for STD insurance coverage more than 31 days after becoming eligible and then become disabled during the first 12 months of your coverage, your benefit waiting period for a disability caused by any condition other than an accidental injury will be 60 days instead of 30 days:

Becoming Insured

Coverage under STD Plan 7 is voluntary. This means you decide whether or not you wish to apply. If you select coverage, your employer requires that you pay the cost.

Coverage will be effective on the first day of the calendar month following the later of (a) the date you become an eligible employee and complete any eligibility waiting period, or (b) the date you apply, provided you apply within 31 days after becoming eligible and have served any eligibility waiting period. If you do not apply within 31 days after becoming eligible, you may only apply during an OEBB annual enrollment period or within 31 days of a qualifying family status change. In both situations you will be required to submit satisfactory evidence of insurability.

For insurance applied for during an OEBB annual enrollment period, assuming the active work requirement is met, insurance becomes effective on the first day of the plan year following the date you apply. For insurance applied for due to a family status change, assuming the active work requirement is met, insurance becomes effective the first day of the calendar month following the later of (a) the date you apply, and (b) the date of the family status change. Meeting the active work requirement means that if you are not actively at work on the day before the

scheduled effective date of insurance, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee.

Please contact your human resources representative for more information regarding the requirements that must be satisfied for your insurance to become effective.
