Group Basic Life and Accidental Death and Dismemberment Insurance

Basic Life insurance from Standard Insurance Company helps provide financial protection by promising to pay a benefit in the event of an eligible employee's covered death. Basic Accidental Death and Dismemberment (AD&D) insurance may provide an additional amount in the event of a covered death or dismemberment as a result of an accident.

The cost of Basic Life insurance is paid by your employer participating in the Washington Counties Insurance Fund. The employer also elects the amount of coverage.
