

Thank you for asking for more information about converting your group term life insurance to individual coverage.

If you are terminating employment due to sickness or injury, please contact your employer to determine eligibility for disability or Waiver of Premium benefits before completing this application for conversion.

If you convert your group insurance coverage, you'll have continued protection with premiums payable to age 100. This policy will accumulate cash value, and will allow you to borrow against the cash value if sufficient. Interest on the policy loan will accrue daily and will be at a fixed rate (subject to policy terms and applicable state law). The policy does not share in dividends.

The amount of insurance you may convert depends on the reason for the cessation of your group insurance coverage. If your group life insurance coverage ended for any reason other than your failure to make a required premium contribution or the termination of the group policy, the maximum amount you can convert is the amount of your life insurance which ended. If your life insurance ended because of the termination or amendment of the group policy, or if your insurance has been reduced, then the amount you can convert may be different. Please refer to your Certificate of Insurance or contact Standard Insurance Company for a full description regarding the amount you may be entitled to convert.

To calculate your premium payments, use the attached Schedule of Rates and worksheet.

To complete the conversion, you must return the enclosed application form and your check for the first premium payment within 31 days after the termination of your group insurance. Your application to convert your insurance may not be valid if received in our office after this 31 day period. If you had group life insurance on your dependents and want to convert their coverage also, please contact us for additional applications. Your former employer or group policyholder must also complete the Employer's Certification and send it to us. This application will be attached to and made part of the policy.

If you have any questions about the application or other conversion options, our office is available to assist you. We look forward to continuing to provide you with life insurance protection.

*Add \$40.00 annual policy fee to final premium. These premium rates are not guaranteed and are subject to change by Standard Insurance Company.

1. Determine the amount of insurance you want to convert.
2. Determine whether you want to pay your premium annually, semi-annually, quarterly or monthly. The less frequently you pay the premium, the lower the rate will be.
3. Find your premium from the chart on page 2. The premium is based on the requested face amount of your policy and your age. **(Please note: If your next birthday is less than 6 months away, add one year to your current age.)**

Age: _____

4. Calculate your premium:

a) The number of thousand dollar units of coverage you want. (Example: \$50,000 is 50 units.) _____

b) Rate from chart. Using age listed in no. 3 above, find the premium per \$1,000 (see page 2). \$ _____

If you currently pay more than half of the cost for your Group Life Insurance coverage and the amount you are converting is less than \$25,000, complete (c) and (d). If not, skip to (e) below and enter the Rate from the chart you entered in (b) above, as the Final Rate.

c) Divide \$40.00 by the units in (a) _____

d) Add (b) and (c) + _____

If (d) is less than \$68.62, enter the Rate from (b) above as the final rate in (e) below.

Otherwise, subtract the amount in (c) from \$68.62 and enter this amount as your final rate in (e) below.

e) Final Rate _____

f) Multiply (a) times (e). = \$ _____

g) Add \$40.00 annual policy fee. + \$40.00 _____

h) This is your annual premium due. = \$ _____

i) If not paying annually, multiply the annual premium in (e) by the applicable pay factor below (select one):

1. semi-annually .516

2. quarterly .265

3. monthly .094

x _____

j) This is the premium amount due for the pay frequency you selected (if not annual). (Pay factor in (i) times annual premium in (h).) = \$ _____

See an example of premium calculation on page 4.

EXAMPLE of premium calculation for an individual converting group life insurance to individual coverage.

1. A 40 year old individual is converting \$50,000 of his/her group term life insurance coverage to an individual whole life policy of \$50,000.
2. The individual wants to pay premiums monthly.
3. The annual premium rate for a 40 year old individual is \$31.00 for each \$1,000 of coverage.
4. Premium calculation (see no. 4 on page 3):
 - a) 50 units ($50,000 \div 1,000$)
 - b) \$31.00 (use age of 40 and find rate on page 2)
 - c) 0.80 ($\$40.00 \div 50$)
 - d) \$31.80 ($\$31.00 + .80$)
 - e) \$31.00
 - f) \$1,550.00 ($\31.00×50)
 - g) add \$40.00 annual policy fee
 - h) \$1,590.00 ($\$1,550.00 + \40.00)
 - i) $\times .094$ (monthly pay factor)
 - j) \$149.46 due each month ($\$1,590.00 \times .094$)

Please complete all blanks (except for Federal group insurance conversions, for which date of termination of employment is omitted). It is important to use full given name of insured (not initials) and show the date of birth accurately. If you make any changes on the application, please initial and date the change.

1. Check box to indicate who is converting: **Member, Spouse, or Dependent Child.**
2. **Name of Group Policyowner.** Please show complete name of Company, Union, Association, Government Unit, etc.
Example: John Doe Manufacturing Company.
3. **Amount of coverage requested.** This amount is to be determined as follows:
 - a. It may not exceed the face value of your Group Life Insurance on the date of termination.
 - b. If your group life insurance coverage includes a portability option, and you choose to continue a portion of your insurance under that provision, you are eligible to convert only the balance of your Group Life coverage.
4. **Premium Payable.** You must include your first premium with your application. If you are paying monthly, please include two months of premium with your application.
5. **Automatic Premium Loan Provision.** The provision is designed to prevent lapse of your policy in case your premium is not paid by the end of the grace period. As long as the policy has sufficient cash value, an automatic policy loan will be made to pay any premium which has not been paid on time. You will be notified of the loan. It may be repaid within 31 days without interest. The interest rate will be shown in your policy.
6. **Full Name of Beneficiary.** The beneficiary is the person named to receive the death benefit. Unless otherwise requested, any amount payable at the death of the Insured is paid in equal shares to the Primary Beneficiaries, if living, or if none is living, in equal shares to the then surviving Contingent Beneficiaries of highest rank. If no beneficiary is then living, payment is made to the owner or the owner's estate. Please show the full given name for a married woman (Jane L. Doe, not Mrs. John L. Doe).
7. **Signature.** Please sign the form at the bottom. Include your address. If the application is for a dependent child under age 18, the signature of the child's parent is required. If a guardian has been named, the guardian must sign and a copy of the Letters of Guardianship should accompany the application.
8. **Please complete** Taxpayer Identification Number (TIN) Certification on the back of the conversion application.
