

Feeling the Weight of Retirement Planning?

Let us do the heavy lifting.

Saving enough money to cover expenses for your non-working years is important for your overall well-being. But identifying a savings goal and strategy for reaching it can be challenging.

With Mainspring Managed, we will help you create a savings and investment plan. We'll also handle the ongoing management of your account to help you meet your goals. It's like having a personal trainer for your retirement plan!

Mainspring Managed offers:

- A personalized savings and investment program that considers your current financial situation and future needs.
- A dedicated team of professionals who are familiar with your account and ready to assist you.
- Ongoing review and management of your account to keep you on track.

To get started, just login to your account at www.standard.com/retirement. Look for the Mainspring Managed option on the My Retirement Account page to enroll. If you have questions, please call 800.858.5420.
