There are two applications – should I complete both?

Complete the form for the product you wish to purchase. If you wish to purchase portability and conversion coverage, complete both forms. You should only complete the portability application if your coverage ended due to employment termination. The combined amounts of insurance purchased for both portability and conversion coverage cannot exceed the amount you had in effect under your employer's group policy.

How do I apply?
When you are ready to apply, call 800.378.4668 or email CBT@standard.com to receive a portability or conversion application.

How do I calculate my premium and how much should I send in with my application?

To calculate your premium for portability or conversion, locate the premium rates on page 2 of either application. Then follow the instructions provided.

For portability, if your application period is 31 days, then one full quarter's premium is required before your coverage can become effective. If your application period is more than 31 days, please contact The Standard for the amount of premium that is required before your coverage can become effective. For conversion, at least two months of premium is required before your policy can become effective.

Please send your completed application and initial premium³ to the address below:
