Terminated Participants

When employment ends for a retirement plan participant, you continue to be a fiduciary to the participant's retirement plan assets and held to compliance as long as these assets remain in the plan. Ongoing administrative tasks, such as tracking former employees to deliver required notices, can prove difficult and you may be paying ongoing plan expenses.

What can The Standard do to ease the administrative burden?

| Year of Termination | < \$1000 | \$1000 - \$5000 | >\$5000 |

Our Sweep Process Reduces Your Burden

Our sweep process helps move terminated participants out of the retirement plan when their balance is below a designated amount, either \$1,000 or \$5,000. This process is run semi-annually and is designed to help reduce your burden by minimizing the number of potential lost participants and notices to be mailed. In addition, this process may help reduce any asset or per-participant expenses.
