Life Insurance – Plan Ahead For Peace Of Mind

It's not easy to think about, but what would happen to your loved ones if something happened to you? Or, how would you cope if a family member died? Your employer offers additional financial support by including Accidental Death and Dismemberment (AD&D) insurance as part of a Group Life insurance policy or as a separate policy from The Standard. AD&D insurance is designed to pay a benefit if you or, if applicable, any other covered family member have an accident that results in a covered loss.

Disability Needs Calculator

Your family has a unique set of circumstances and financial demands. To help you figure out the amount of Disability insurance you may need if you become unable to work, The Standard has created a Disability Needs Calculator found at: <http://www.standard.com/calculators/dineeds.html>

Employee Coverage Effective Date

To become insured, you must satisfy the eligibility requirements listed above, receive medical underwriting approval (if applicable), and be actively at work (able to perform all normal duties of your job) on the day before the scheduled effective date of insurance. If you are not actively at work on the day before the scheduled effective date of insurance, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee.

Please contact your human resources representative for more information regarding the requirements that must be satisfied for your insurance to become effective.

Understanding Your Plan Design**Benefit Waiting Period**

If your claim for LTD benefits is approved by The Standard, benefits become payable after the benefit waiting period. This is a specified number of days during which you must remain continuously disabled. Benefits are not payable during the benefit waiting period. The benefit waiting period is the longer of 180 days or the period of accumulated sick leave to which you are entitled from the Employer.

Own Occupation Definition of Disability

For the benefit waiting period and the first 24 months for which LTD benefits are paid, you are considered disabled when you are unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of your own occupation **AND** are suffering a loss of at least 20 percent of your indexed predisability earnings when working in your own occupation. You are not disabled merely because your right to perform your own occupation is restricted, including a restriction or loss of license.

Any Occupation Definition of Disability

After the own occupation period of disability, you will be considered disabled if you are unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of any occupation.

Understanding Your Plan Design, Continued**Maximum Benefit Period**

The maximum benefit period is indicated below. The benefit duration is determined by your age when disability begins:

<u>Age</u>	<u>Maximum Benefit Period</u>
59 or younger	To age 65, or 5 years, if longer
60	5 years
61	4 years
62	3 years 6 months
63	3 years
64	2 years 6 months
65	2 years
66	1 year 9 months
67	1 year 6 months
68	1 year 3 months
69 or older	1 year

Deductible Income

Deductible income is income you receive or are eligible to receive while LTD benefits are payable. Deductible income includes, but is not limited to:

- Benefits under any workers' compensation law or similar law
- Amounts under unemployment compensation law
- Social Security disability or retirement benefits, including benefits for your spouse and children
- Disability benefits from any other group insurance
- Benefits under any state disability income benefit law or similar law
- Earnings or compensation included in predisability earnings which you receive or are eligible to receive while LTD benefits are payable
- Earnings from work activity while you are disabled, plus the earnings you could receive if you worked as much as your disability allows
- Amounts due from or on behalf of a third party because of your disability, whether by judgment, settlement or other method
- Any amount you receive by compromise, settlement or other method as a result of a claim for any of the above

Benefit Calculation**Example**

The LTD benefit amount is determined by multiplying your insured predisability earnings by the specified benefit percentage. This amount is then reduced by deductible income. In the example below, which assumes the employee has purchased Buy-up LTD coverage, the LTD benefit amount is 60 percent of insured predisability earnings. If your monthly earnings before becoming disabled were \$4,500, and you now receive a monthly Social Security disability benefit of \$1,200 and a monthly retirement benefit of \$900, your monthly LTD benefit would be calculated as follows:

Insured predisability earnings	\$4,500
LTD benefit percentage	X 60%
	<u>\$2,700</u>
Less Social Security disability benefit	-\$1,200
Less retirement benefit	<u>-\$900</u>
Amount of LTD benefit	\$600

Employee Coverage Effective Date

To become insured, you must satisfy the eligibility requirements listed above, serve an eligibility waiting period, agree to pay premium, and be actively at work (able to perform all normal duties of your job) on the day before the scheduled effective date of insurance.

If you are not actively at work on the day before the scheduled effective date of insurance, including Dependents AD&D insurance, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee.

Please contact your human resources representative for more information regarding these requirements that must be satisfied for your insurance to become effective.

Voluntary AD&D Age Reductions

Under this plan, the coverage amount reduces by 35 percent at age 70, by 55 percent at age 75, by 70 percent at age 80, and by 85 percent at age 85.

Voluntary AD&D Insurance Benefit Schedule

The amount of your or your dependents AD&D benefit for losses covered under this plan is a percentage of the amount of your or your dependents AD&D insurance in effect on the date of the covered accident as shown below.

Loss:	Percentage Payable:
Loss of Life ¹	100%
One hand or one foot ²	50%
Sight in one eye, speech, or hearing in both ears	50%
Two or more of the losses listed above	100%
Thumb and index finger of the same hand ³	25%
Quadriplegia	100%
Hemiplegia	50%
Paraplegia	75%

¹ Including loss of life by accidental exposure to adverse weather conditions or disappearance if the disappearance is caused by an accident that could have reasonably resulted in your death.

² Even if the severed part is surgically re-attached. This benefit is not payable if a Voluntary AD&D benefit is payable for Quadriplegia, Hemiplegia, or Paraplegia involving the same hand or foot.

The loss must be caused solely and directly by an accident and occurs independently of all other causes, within 365 days after the accident. Loss of life must be evidenced by a certified copy of the death certificate. All other losses must be certified by a physician in the appropriate specialty as determined by The Standard.
