Get Ready for Retirement the Easy Way

Your retirement account needs regular checkups and adjustments to ensure you’re on track to meeting your savings goals. If you don’t have the time, interest or knowledge to keep an eye on it, consider using a service that can do it for you.

With a Mainspring Managed account, investment professionals* will handle the ongoing management of your account.

Our Managed Account Service Offers:

- A dedicated team of professionals, available by phone or email who are familiar with your account and ready to assist you.
- A personalized savings and investment plan based on your personal financial situation and retirement goals.
- Ongoing review and adjustment of your portfolio to keep your goals, investments and savings rates aligned and on track.
- Annual automatic contribution increases, if appropriate, to help you save what you need to replace your current income when you retire.

*StanCorp Investment Advisers, Inc.

Employers and plan participants should carefully consider the investment objectives, risks, charges and expenses of the investment options offered under the retirement plan before investing. The prospectuses for the individual mutual funds in the group annuity contain this and other important information. Prospectuses may be obtained by calling 877.805.1127. Please read the prospectus carefully before investing. Investments are subject to market risk and fluctuate in value.
