A helping hand when you need it.
Rely on the support, guidance and resources of your Employee Assistance Program.
There are times in life when you might need a little help coping or figuring out what to do. Take advantage of the Employee Assistance Program (EAP) which includes WorkLife Services and is available to you and your family in connection with your group insurance from Standard Insurance Company (The Standard). It’s confidential — information will be released only with your permission or as required by law.

**Connection to Resources, Support and Guidance**

You, your dependents (including children to age 26) and all household members can contact master’s-degreed clinicians 24/7 by phone, online, live chat, email and text. There’s even a mobile EAP app. Receive referrals to support groups, a network counselor, community resources or your health plan. If necessary, you’ll be connected to emergency services.

Your program includes up to three face-to-face assessment and counseling sessions per issue. EAP services can help with:

- Depression, grief, loss and emotional well-being
- Family, marital and other relationship issues
- Life improvement and goal-setting
- Addictions such as alcohol and drug abuse
- Stress or anxiety with work or family
- Financial and legal concerns
- Identity theft and fraud resolution
- Online will preparation

**WorkLife Services**
