Plan your financial future with confidence.

Convenient, personalized and interactive, Financial Support Services are available to help you and your family understand and solve every day and complex financial concerns. Gain valuable insight and the tools to build a solid financial plan through help with:

- Credit and debt management
- Establishing savings goals
- Budgeting
- Bankruptcy prevention
- Financial aspects of separation and divorce
- Retirement planning
- Housing education

Support your way

Our Financial Support Services are designed to suit your learning, lifestyle and comfort level.

Financial consultation

Seek professional financial advice through confidential telephonic consultations. We can help relieve the stress you may have when dealing with financial matters and planning. During the initial call, you will either briefly consult with a financial counselor regarding your concern, or be scheduled for a more in-depth financial consultation. You will receive a financial assessment worksheet for completion prior to the scheduled telephonic session.

Connect with us for confidential support or to learn more

Create your financial future today with help from your EAP.
