

ACCELERATED BENEFIT DISCLOSURE STATEMENT

This accelerated life benefit provides for an accelerated payment of Life Insurance proceeds. This accelerated life benefit does not and is not intended to qualify as health, nursing home, or long-term care under Washington state law. Washington state law prevents this accelerated life benefit from being marketed or sold as long-term care.

Death benefits will be reduced if an Accelerated Benefit is paid. The receipt of this benefit may be taxable and may affect your eligibility for Medicaid or other government benefits or entitlements. However, if you meet the definition of “terminally ill individual” according to the Internal Revenue Code Section 101, your Accelerated Benefit may be non-taxable. You should consult your personal tax and/or legal advisor before you apply for an Accelerated Benefit.

A. Accelerated Benefit

If you qualify for Waiver Of Premium and give us satisfactory proof of having a Qualifying Medical Condition while you are insured under the Group Policy, you may have the right to receive during your lifetime a portion of your Insurance as an Accelerated Benefit. You must have at least \$10,000 of Insurance in effect to be eligible.

If your Insurance is scheduled to end within 24 months following the date you apply for the Accelerated Benefit, you will not be eligible for the Accelerated Benefit.

Qualifying Medical Condition means you are terminally ill as a result of an illness or physical condition which is reasonably expected to result in death within 24 months.

We may have you examined at our expense in connection with your claim for an Accelerated Benefit. Any such examination will be conducted by one or more Physicians of our choice.

B. Application For Accelerated Benefit

You must apply for an Accelerated Benefit. To apply you must give us satisfactory Proof Of Loss on our forms. Proof Of Loss must include a statement from a Physician that you have a Qualifying Medical Condition.

C. Amount Of Accelerated Benefit

You may receive an Accelerated Benefit of up to 75% of your Insurance. The maximum Accelerated Benefit is \$500,000. The minimum Accelerated Benefit is \$5,000 or 10% of your Insurance, whichever is greater.

If the amount of your Insurance is scheduled to reduce within 24 months following the date you apply for the Accelerated Benefit, your Accelerated Benefit will be based on the reduced amount.

The Accelerated Benefit will be paid to you once in your lifetime in a lump sum. If you recover from your Qualifying Medical Condition after receiving an Accelerated Benefit, we will not ask you for a refund.

For any purpose other than premium payment, the amount of your Insurance after payment of the Accelerated Benefit will be the greater of the amounts in (1) and (2) below; however, if you assign your rights under the Group Policy, the amount of your Insurance will be the amount in (2) below.
