POLICY BENEFITS

Disability Benefits are the monthly benefit payment(s) for Total Disability. Benefits begin on the Commencement Date. The Commencement Date is the next day immediately following completion of the the Benefit Waiting Period.

The **Benefit Waiting Period** is the period, measured from the first day of your Disability, throughout which you must be Disabled before Disability Benefits become payable. The Benefit Waiting Period is shown on the Policy Data page.

The **Maximum Benefit Period** is the maximum period of time we will pay benefits for any one Disability.

Commencement Date: The _____ Day of Disability

Basic Monthly Benefit: \$ _____

Maximum Benefit Period: _____

BENEFIT FOR TOTAL DISABILITY – You will be eligible for a Disability Benefit during your Total Disability. The Disability Benefit payable each month will equal the Basic Monthly Benefit.

Total Disability/Totally Disabled means that, due to your Injury or Sickness:

- you are unable to perform all of the Substantial and Material Duties of your Regular Occupation; and
- you are not engaged in any other job or occupation for wage or profit; and
- you are receiving Regular Medical Care from one or more Physician(s) appropriate for the Injury or Sickness. This Regular Medical Care requirement will be waived when we receive written proof, satisfactory to us, that further care would be of no benefit to you.

Regular Occupation means the occupation or occupations which you are regularly engaged in at the time your Disability begins.

If you are a physician or dentist and have limited your Regular Occupation to the performance of the Substantial And Material Duties of a single specialty recognized by the American Board of Medical Specialties (ABMS) or American Osteopathic Association Bureau of Osteopathic Specialists (AOABOS) or American Dental Association (ADA), then that specialty will be deemed your Regular Occupation.

BENEFIT FOR PRESUMPTIVE DISABILITY – We will consider you to be Totally Disabled if, after the Policy Effective Date, your Injury or Sickness occurs while the policy is in force and causes you to totally and permanently lose one of the following: speech; hearing in both ears not restorable by hearing aids; sight in both eyes; use of both hands; use of both feet; or use of one hand and one foot. There is no Benefit Waiting Period if you become Presumptively Disabled.

REHABILITATION PROGRAM – While you are Disabled, you may participate in a Rehabilitation Program to help you prepare for your return to full time work. Your participation in the program is voluntary. We will pay the reasonable costs of the Program and periodically review your progress. We will continue to pay the agreed upon costs for as long as we determine the Rehabilitation Program is meeting the mutually agreed upon objectives.

PREMIUM WAIVER BENEFIT – We will waive all premiums due under the policy while Disability Benefits {or Recovery Benefits} are payable. After completion of the Benefit Waiting Period, we will refund to the Owner any premium due and paid after the date your Disability began.

FAMILY CARE BENEFIT – We will pay a Family Care Benefit while:

- you are working at least 20% fewer hours in order to care for your Family Member while he or she has a Serious Health Condition; and
- your Monthly Earnings is at least 20% less than your Predisability Earnings due to that reduction in hours worked; and
- you are not Disabled; and
- no other benefit is payable under the policy.

Family Member means your parent, child (including an adopted child and stepchild), spouse, Domestic Partner, and child of your Domestic Partner.

Serious Health Condition means that due to your Family Member’s Injury or Sickness, he or she:

- is receiving inpatient care in a hospital, hospice or residential medical care facility;
- requires Substantial Supervision for his or her health or safety due to Severe Cognitive Impairment;
- is unable to safely and completely perform two or more Activities Of Daily Living without assistance; or
- is terminally ill with a condition that is reasonably expected to result in death within 12 months.

For a Family Care Benefit to be payable, the Serious Health Condition must be caused by an Injury or Sickness that occurs after the Policy Effective Date and before the Termination Date. The Benefit Waiting Period is measured from the day the Serious Health Condition begins. The maximum amount of Family Care Benefit we will pay for all claims and all Family Members is limited to a total amount equal to six times the Basic Monthly Benefit.

The amount of Family Care Benefit we will pay each month will depend on your Monthly Earnings. If your Monthly Earnings is:

- less than 20% of your Predisability Earnings, the benefit amount will equal the Basic Monthly Benefit.
- 20% to 80% of your Predisability Earnings, the benefit amount will equal:

$$\frac{\text{your Predisability Earnings} - \text{your Monthly Earnings}}{\text{your Predisability Earnings}} \times \text{the Basic Monthly Benefit}$$

- more than 80% of your Predisability Earnings, no Family Care Benefit is payable.

If a Family Member dies while the Family Care Benefit is being paid, the Family Care Benefit will end as of the date of death. Premiums will not be waived while the Family Care Benefit is paid.

SURVIVOR BENEFIT – We will pay a benefit to a survivor (Survivor Benefit) if you die while Disability Benefits are payable under this policy. The amount of the Survivor Benefit will equal three times the Basic Monthly Benefit. The Owner may designate a payee, or change a previously named payee, to receive the Survivor Benefit.

We cannot change any part of the policy, except its premium, until the Termination Date. We can change the premium rates only: (1) after the policy has been in force for three years; and (2) if the change applies to all policies with like benefits insuring the same Risk Class. We will notify you in writing at least 30 days prior to any change in premiums. The policy ends on the Termination Date, except as provided by the Renewal Option (below).

The Termination Date is shown on the Policy Data page. If you are under age 65 when we issue the policy, the Termination Date will be the Policy Anniversary on or next following your 65th or 67th birthday.
