

Ready When You Need Us

Introducing The Standard

We're ready to help you protect what matters. Starting on January 1, 2023, Standard Insurance Company (The Standard)[‡] will be NBA Benefit Plans' new provider for the following group coverage and service:

Short Term Disability insurance can replace part of your income if a disability keeps you from working for a short time. It pays you directly to help cover expenses during recovery, like housing, food and child care.

Long Term Disability insurance

can help pay the bills if you become disabled and can't work for an extended period. That could be a few months or several years. This coverage helps replace part of your paycheck. That can help you protect your lifestyle and savings.

Life insurance can protect the people you care about if you're no longer here to provide for them. They can use the payout to help pay expenses like funeral and medical costs, or housing, college tuition and child care.

Accidental Death & Dismemberment insurance can help protect your family's finances if death or a serious accident keeps you from providing for them.

The Standard wants to help you protect what you care about. We'll challenge ourselves to go above and beyond to serve you — not as a number or a policy, but as a person. Every day.

Accident insurance can help with costs that medical insurance doesn't cover if you're hurt in an accident. It pays you or a covered family member directly and you can use it toward your deductible, copay or daily expenses during recovery.

Critical Illness insurance can help with costs from a serious illness that your medical insurance doesn't cover. It pays you or a covered family member a lump sum to use toward expenses like deductibles, groceries or child care during recovery.

Hospital Indemnity insurance

helps keep your finances on track when you're in the hospital. It pays you or a covered family member directly and you can use it to help cover costs such as copays, deductibles and living expenses.
