

GROUP ADDITIONAL LIFE INSURANCE

We can help provide for your family when you can't.

Group Additional Life insurance can help protect your family's finances if something happens to you. This coverage can help provide financial support and stability to your family if you pass away.

Additional Life insurance can help make things easier for the people you care about.

Life insurance helps protect the people who depend on your income by paying them an amount of money specified in the policy if you die.

Life insurance is an easy, responsible way to help your loved ones during a difficult time — and into the future.

What's at stake.

A death might leave your family facing expenses they couldn't pay without your income. That could include extra costs for medical care or a funeral.

You're covered under Basic Life insurance if you take no action, provided you meet the eligibility requirements. But if Basic Life insurance doesn't meet your needs, you can apply for additional coverage. **Plan now to help your family cover future expenses like:**

Tuition

Child Care

Housing Costs

Daily Living Expenses

How Much Your Coverage Costs

Your Basic Life insurance is paid for by City and County of Denver. If you choose to purchase Additional Life coverage, you'll have access to competitive group rates, which may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck.

How much your premium costs depends on a number of factors, such as your age, the benefit amount and tobacco use.

To estimate your monthly premium, use the calculator below.

To estimate your insurance needs, you'll need to consider your unique circumstances. Use our online calculator at standard.com/life/needs.

Use this formula to calculate your premium payment.

$$\frac{\text{Enter the amount of coverage you are requesting (see benefit amounts below)}}{\div 1000} = \text{_____} \times \frac{\text{Enter your rate from the rate table.}}{\text{_____}} = \text{_____}$$

This amount is an estimate of how much you would pay each month.

If you buy coverage for your spouse, your monthly rate is shown in the following table below. Use the same formula to calculate the premium that you used for yourself, but use your spouse's age.

If you buy Dependents Life coverage for your child(ren), your monthly rate is \$0.75 per \$5,000 no matter how many children you're covering.

Age (as of January 1)	Your Rate (Per \$1,000 of Total Coverage)		Your Spouse's Rate (Per \$1,000 of Total Coverage)	
	Tobacco	Non-Tobacco	Tobacco	Non-Tobacco
<20	\$0.090	\$0.050	\$0.090	\$0.050

Important Details

Here's where you'll find the nitty-gritty details about the plan.

Eligibility Requirements

A minimum number of eligible employees must apply and qualify for the proposed plan before coverage can become effective. If this requirement is not met, this plan will not become effective.

To be eligible for coverage, you must be:

- Insured for Basic Life insurance through The Standard
- An active limited or unlimited employee of the City and County of Denver, including all sheriffs, excluding police or fire personnel regularly working at least 20 hours per week and a citizen or resident of the United States or Canada. You are not a member if you are a temporary or seasonal employee, a full-time member of the armed forces, a leased employee or an independent contractor.

Temporary and seasonal employees, full-time members of the armed forces, leased employees and independent contractors are not eligible.

If you buy Additional Life insurance for yourself, you may buy Dependent Life coverage for your eligible child(ren) and/or spouse. This is called Dependents Spouse Life and Child Life insurance. You can choose to cover your dependents as defined by your employer. Child means your unmarried child from live birth through age 26.

Please note:

- Your child cannot be insured by more than one employee.
- Your spouse or child(ren) must not be a full-time member(s) of the armed forces.
- You cannot be insured as both an individual and a dependent.

Medical Underwriting Approval

Required for:

- Coverage amounts higher than the guarantee issue amount
- All late applications (applying 31 days after becoming eligible)
- Requests for coverage increases
- Reinstatements
- Employees eligible but not insured under the prior life insurance plan

Visit standard.com/mhs to submit a medical history statement online.

Note: If your family status changes, you may have the ability to apply for coverage or increase your coverage for a limited time without having to submit a medical history statement. Please see your Benefits representative or plan administrator for more information.

Coverage Effective Date

To become insured, you must:

- Meet the eligibility requirements listed in the previous sections,
- Receive medical underwriting approval (if applicable),
- Apply for coverage and agree to pay premium, and
- Be actively at work (able to perform all normal duties of your job) on the day before the insurance is scheduled to be effective.

If you are already a member on the date the group policy is effective, you are eligible on that date. If you become a member after the group policy effective date, you are eligible on the date you become a member

If you are not actively at work on the day before the scheduled effective date of your insurance, including any Spouse Life or Child Life insurance coverages, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee. You may have a different effective date for Life coverage below and above the guarantee issue amount. Contact your Benefits representative or plan administrator for further information about the applicable coverage effective date for your insurance, including Spouse and Child Life insurance.

Waiver of Premium

Your premiums may be waived if you:

- Become totally disabled while insured under this plan,
- Are under age 60, and
- Complete a waiting period of 180 days.

Portability

If your insurance ends because your employment terminates, you may be eligible to buy portable group insurance coverage from The Standard.

Conversion

If your insurance reduces or ends, you may be eligible to convert your existing Life insurance to an individual life insurance policy without submitting proof of good health.

Exclusions

Subject to state variations, you and your dependents are not covered for death resulting from suicide or other intentionally self-inflicted injury, while sane or insane. The amount payable will exclude amounts that have not been continuously in effect for at least one year on the date of death.

When Your Insurance Ends

Your insurance ends automatically when any of the following occur:

- The date the last period ends for which a premium was paid
- The date your employment terminates
- The date you cease to meet the eligibility requirements (insurance may continue for limited periods under certain circumstances)
- The date the group policy, or your employer's coverage under the group policy, terminates
- For each elective insurance coverage, the date that coverage terminates under the group policy

In addition to the above requirements, your Dependents Life coverage ends automatically on the date your dependent ceases to meet the eligibility requirements for a dependent.

For more details on when your insurance ends, contact your Benefits representative or plan administrator.

Group Insurance Certificate

If coverage becomes effective, and you become insured, you can review the group insurance certificate at denvergov.org/benefits under Life Insurance containing a detailed description of the insurance coverage including the definitions, exclusions, limitations, reductions and terminating events. The controlling provisions will be in the group policy. The information presented in this summary does not modify the group policy, certificate or the insurance coverage in any way.
