What's at stake.

A death might leave your family facing expenses they couldn't pay without your income. That could include extra costs for medical care or a funeral.

How Much Your Coverage Costs

If you choose to purchase **Plan 2 (Extra) Life coverage** offered through NBA Benefit Plans, you'll have access to competitive group rates, which may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck.

How much your premium costs depends on a number of factors, such as your age and the benefit amount.

To determine your monthly premium use the calculator below.

Use this formula to estimate your monthly premium payment:

$$\frac{\text{Enter the amount of coverage.}}{\div 1000} = \text{Rate.} \times \text{This amount is an estimate of how much you would pay each month.} =$$

If you elect Plan 2 (Extra) coverage for yourself, you may buy Plan 2 (Extra) Dependent coverage for your spouse. Your spouse's monthly rate is shown in the following table. Use the same formula to calculate the premium that you used for yourself, but use your age and your spouse's rate.

Age (as of January 1)	Your Rate (Per \$1,000 of Total Coverage)	Your Spouse's Rate (Per \$1,000 of Total Coverage)
<30	\$0.035	\$0.066
30-34	\$0.041	\$0.068
35-39	\$0.056	\$0.093
40-44	\$0.091	\$0.141
45-49	\$0.125	\$0.190
50-54	\$0.168	\$0.285
55-59	\$0.230	\$0.465
60-64	\$0.425	\$0.792
65-69	\$0.815	\$1.260
70+	\$1.352	\$1.260

- Apply for coverage and agree to pay premium, and
- Be actively at work (able to perform all normal duties of your job) on the day before the insurance is scheduled to be effective

If you are not actively at work on the day before the scheduled effective date of your insurance, including any Dependents Life insurance coverages, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee. You may have a different effective date for Life coverage below and above the guarantee issue amount. Contact your human resources representative or plan administrator for further information about the applicable coverage effective date for your insurance, including Dependents Life insurance.

Age Reductions

Your coverage amount does not reduce due to age unless your insurance is subject to termination under the Waiver Of Premium provision. Dependents Life insurance for your spouse will not reduce because of your age.

Waiver of Premium

Your premiums may be waived if you:

- Become totally disabled while insured under this plan

Conversion

If your insurance reduces or ends, you may be eligible to convert your existing Life insurance to an individual life insurance policy without submitting proof of good health.

Exclusions

Subject to state variations, you and your spouse are not covered for death resulting from suicide or other intentionally self-inflicted injury, while sane or insane. The amount payable will exclude amounts that have not been continuously in effect for at least two years on the date of death.

When Your Insurance Ends

Your insurance ends automatically when any of the following occur:

- The date the last period ends for which a premium was paid
- The date your employment terminates
- The date you cease to meet the eligibility requirements (insurance may continue for limited periods under certain circumstances)
- The date the group policy, or your employer's coverage under the group policy, terminates
- For each elective insurance coverage, the date that coverage terminates under the group policy

In addition to the above requirements, your Dependents Life coverage ends automatically on the date your dependent ceases to meet the eligibility requirements for a dependent.

For more details on when your insurance ends, contact your human resources representative or plan administrator.

If coverage becomes effective, and you become insured, you may receive a group insurance certificate containing a detailed description of the insurance coverage including the definitions, exclusions, limitations, reductions and terminating events. The controlling provisions will be in the group policy. The information presented in this summary does not modify the group policy, certificate or the insurance coverage in any way.
