

Group Life Insurance

We can help provide for your family when you can't.

Group Life insurance can help protect your family's finances if something happens to you. This coverage can help provide financial support and stability to your family if you pass away.

Life insurance can help make things easier for the people you care about.

How much Life insurance do you need?

Consider your family's everyday expenses and big-ticket items. How will they manage without your income? How much help do they need to maintain their standard of living? Pay off debt? And fund your children's education?

Life insurance is an easy, responsible way to help your loved ones during a difficult time — and into the future.

What's at stake.

A death might leave your family facing expenses they couldn't pay without your income. That could include extra costs for medical care or a funeral.

This Life insurance coverage lets you take advantage of group rates. **Plan now to help your family cover future expenses, such as:**

Tuition

Child Care

How Much Your Coverage Costs — Classes 1, 2 and 3

Because this insurance is offered through General Council of The Assemblies Of God, you'll have access to competitive group rates, which may be more affordable than those available through individual insurance.

For You:

How much your premium costs depends on your age and the benefit amount. Use the formula and rate table below to calculate the monthly premium for your Voluntary Life coverage.
