What Your Benefit Provides

This is the amount per month you would receive if you experience a qualifying disability. Eligible earnings are your monthly insured predisability earnings, as defined by the group policy. 60% of your eligible earnings, up to a maximum benefit of \$6,000 per month.
Plan minimum per month: \$100.

Benefit Waiting Period

If you experience a qualifying disability, your benefit waiting period is the length of time you must be continuously disabled before you become eligible to receive your monthly benefit.

90 days.

How Long Your Benefits Last

This is the maximum length of time you could be eligible to receive disability benefits for a continuous disability.

Until age 65.

Depending on your age at the time of disability, your benefits may be subject to a different schedule. Refer to the Maximum Benefit Period table in the Important Details section for specifics.

See the Important Details section for more information, including requirements, limitations, exclusions and definitions.

Additional Features

Help With Returning To Work

This plan provides incentives to help you get back to work. For instance, you'll get help paying for some of the expenses associated with participating in an approved rehabilitation plan.

If a worksite modification would enable you to return to work, the coverage can help your employer make approved modifications.

You may also be eligible to receive an additional benefit of 10% of your predisability earnings for participating in an approved rehabilitation plan, subject to the plan maximum.

Survivors Benefit

If you die while receiving benefits, your survivor may be eligible to receive a one-time additional payment.

How Much Your Coverage Costs

Because this insurance is offered through Broward County Board of County Commissioners, you'll have access to competitive group rates that may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck.

How much your premium costs depends on a number of factors, such as your age and benefit amount.

Use this formula to estimate your biweekly premium payment:

	x		÷ 100 =		--->
Enter your monthly earnings (cannot be more than \$10,000).		Enter your rate from the rate table.		This amount is an estimate of how much you'd pay each month.	To get a sense of your biweekly premium, take your monthly premium, multiply by 12 months, and divide by 26 pay periods. This is your biweekly premium.

Your Age (As of last January 1)	Rate (Per \$100)
<40	\$0.160
40-49	\$0.310
50-59	\$0.530
60-64	\$0.870
65 and above	\$1.190

As you consider Long Term Disability insurance, evaluate what makes sense for you.

Getting by without a paycheck isn't easy, especially for an extended period of time. Make sure you have enough financial protection to help you with housing costs, utilities and other bills.

To estimate your insurance needs, you'll need to consider your unique circumstances. Use our online calculator at [standard.com/disability/needs](https://www.standard.com/disability/needs).
