

BENEFITS TECHNOLOGY TEAM

Easier Integration. Seamless Benefits Administration.

The Benefits Technology team at The Standard can make it easier to do business. Our experts have partnerships with — or can work with — the most popular and prevalent technology platforms in the industry.

Expertise that complements yours.

Our Benefits Technology team offers you consultative technological expertise. We bring multiple skill sets that span the worlds of benefits administration and platform technology.

Improved customer

experience. Employers can manage everything within their chosen platform — reducing their administration burden.

Service that supports you and

your clients. We can clearly explain how your chosen platform will work with our products and systems. And help you answer your client's technology questions.

Take advantage of our team's combination of benefits and platform expertise. Contact your Employee Benefits consultant to get started.

Our Approach Offers Benefits for You and Your Clients

Reduces implementation time

Lowers risk of incorrect billing and payroll deductions, with strong partner integration

Simplifies new case setup

Improves member experience at enrollment
