For former Employees, the Average Weekly Wage will be based on Wages that were in effect on the last day the former Employee was in the employment of the Employer. For Covered Individuals who are paid hourly, the Average Weekly Wage is based on the hourly pay rate multiplied by the number of hours regularly scheduled to work for the Employer per week, but not more than 40 hours. If the Covered Individual does not have regular work hours, the Average Weekly Wage is based on the average number of hours worked per week for the Employer during the preceding 52 calendar weeks (or during the period of employment with the Employer if less than 52 weeks), but not more than 40 hours. If a Covered Individual has multiple Employers, the Average Weekly Wage will be calculated for each employer or Covered Business Entity separately.
