Proof Of Loss must be provided within 90 days after the date of the Loss. If that is not possible, it must be provided as soon as reasonably possible, but not later than one year after that 90-day period.

Proof Of Loss means written proof that a Loss occurred:

- For which the Group Policy provides benefits.
- Which is not subject to any exclusions or limitations.
- Which meets all other conditions for benefits.

Proof Of Loss includes any other information we may reasonably require in support of a claim. Proof Of Loss must be in writing and must be provided at the expense of the claimant. No benefits will be paid until we receive Proof Of Loss satisfactory to us.

We reserve the right to investigate a claim at any time at our expense, including an examination conducted by specialists of our choice. In case of death, we have the right and opportunity to request an autopsy, except where prohibited by law.

Notice of Decision on Claim

We will evaluate a claim for benefits promptly after we receive it. Within 20 days after we receive the claim we will send the claimant: (a) a written decision on the claim; or (b) a notice that we are extending the period to decide the claim for an additional 60 days within which the claimant may furnish the additional information described in such notice we need to decide the claim.

The claimant may send us written comments or other items to support the claim. The claimant may review and receive copies of any non-privileged information that is relevant to the request for review. There will be no charge for such copies. Our review will include any written comments or other items the claimant submits to support the claim.

We will review the claim promptly after we receive the request. With respect to all claims, within 45 days after we receive the request for review we will send the claimant: (a) a written decision on review; or (b) a notice that we are extending the review period for 45 days.

If an extension is due to the claimant's failure to provide information necessary to decide the claim on review, the extended time period for review of the claim will not begin until the claimant provides the information or otherwise responds.

If we extend the review period, we will notify the claimant of the following: (a) the reasons for the extension and (b) when we expect to decide the claim on review.

If we request additional information, the claimant will have 45 days to provide the information. If the claimant does not provide the requested information within 45 days, we may conclude our review of the claim based on the information we have received.

The Policyholder and your Employer have no authority to alter, expand or extend our liability or to waive, modify or compromise any defense or right we may have under the Group Policy.

Misstatement of Age

If a person's age has been misstated, we will make an equitable adjustment of premiums, benefits, or both. The adjustment will be based on the following:

**NEVADA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION
GUARANTY ASSOCIATION ACT SUMMARY DOCUMENT
Effective January 1, 2020**

Residents of Nevada who purchase life insurance, annuities, health insurance or Health Maintenance Organizations (HMO) insurance should know that the insurance companies licensed in the State to write these types of insurance are members of the Nevada Life and Health Insurance Guaranty Association (Association). The purpose of the Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations and becomes insolvent. If this should happen, the Association assesses its other member insurance companies for the money to pay the claims of the insured persons who live in this State and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Association is not unlimited, however, and, as noted in the **bold** written information below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Nevada Life and Health Insurance Guaranty Association may not provide coverage for certain types of policies, however, if coverage is provided, it will be subject to substantial limitations and exclusions, and require continued residency in Nevada. A person should not rely on coverage by the Association when selecting an insurance company or when selecting an insurance policy.

Coverage is NOT provided for a policy or any portion of it that is not guaranteed by the Insurer or for which the policyholder has assumed the risk, such as a variable contract sold by prospectus.

Insurance companies are required by law to deliver this notice to you. However, insurance companies and their agents are prohibited by law from using the existence of the Association for sales, solicitation, or to induce the purchase of any kind of insurance policy.

The State law that provides for this safety-net coverage is called the Nevada Life and Health Insurance Guaranty Association. Below is a brief summary of this law's coverages, exclusions and limits. The summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act, or the rights or obligations of the Association. Anyone may obtain additional information from the Association or file a complaint with the Commissioner of Insurance, at the applicable address listed below, to allege a violation of any provision of the Nevada Life and Health Insurance Guaranty Association Act.

Generally, individuals will be protected by the Association if they live in this State and hold a life, health or HMO insurance contract or an annuity, or if they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of the insured persons are protected as well, even if they live in another state.

With respect to one owner of several non-group policies of life insurance, whether the owner is a natural person or an organization and whether the persons insured are officers, managers, employees or other persons, the Association will not pay more than \$5,000,000 in benefits, regardless of the number of policies and contracts held by the owner.

With respect to each participant in a governmental retirement plan covered by an unallocated annuity contract as described in NRS 686C, the maximum allowed is an aggregate of \$250,000 regardless of the number of contracts issued by any member company.

EXCLUSIONS FROM COVERAGE

Not covered by the Nevada Guaranty Association:

The insurer was not authorized to do business in the State of Nevada;
if the policy was insured by a fraternal benefit society, a mandatory state pooling plan, or a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Association also does **NOT** provide coverage for:

Any policy or portion of a policy which is not guaranteed by the member insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

Credits given in connection with the administration of a policy by a group contract holder;
