

Your New Jersey State Disability Benefit Claim

This packet contains the forms that will help us to process your claim for New Jersey State Disability Benefits. **Please save a copy of this material for your future reference.** For specific information about your New Jersey State Disability Benefits coverage, please contact your employer's benefits administrator or call our customer service line at 800.426.4332. The Standard Benefit Administrators is acting as the claims administrator on behalf of Standard Insurance Company for the New Jersey State Disability Benefits.

How To Apply For Benefits

The Disability benefits application includes claim forms and an Authorization.

1. Your employer should complete the Employer Statement before giving the packet to you.
2. Complete and sign the Employee Statement. Compare your responses to those of your employer to make sure you agree on all information, including **last day of work**.
3. Enter your full name and employer name in the Employee section of the Attending Physician's Statement, and have your treating physician complete the remainder of the form. If more than one physician is treating you for your disabling condition, each must complete a form. Additional forms are available from your employer's benefits administrator.
4. Sign and date the Authorization and send it, along with the claim forms, to The Standard Benefit Administrators at the above address. This authorization allows us to request further information about your claim, if necessary.

Once we receive your completed claim application, it will take approximately one week to make a claim decision. If we have not reached a decision within one week, you will be notified with the details.

Other Benefits That May Affect Your New Jersey State Disability Benefits

Other benefits you receive, or may be eligible to receive, may affect the amount of New Jersey State Disability Benefits due you. These benefits may include, but are not limited to, unemployment compensation and Workers' Compensation.

To avoid a possible overpayment of your claim, please inform The Standard Benefit Administrators if you receive other benefits.

Tax Withholding

Benefits payable under the Temporary Disability Benefits Law are considered to be "third party sick pay." Federal law provides that the portion of gross disability benefits paid, which is attributable to the chargeable employer's contributions for disability insurance coverage, is subject to federal taxation for Social Security, Medicare, F.U.T.A. and federal income tax. Please consult your own tax advisor or the State of New Jersey Department of the Treasury, Division of Taxation for information regarding New Jersey state income tax laws.

When You Return To Work

Your disability benefits usually stop when you return to work. **Be sure that you or your employer notify The Standard Benefit Administrators immediately when you plan to return, or have returned to work** to assure no overpayment occurs.
