Standard Secure Access (SSA) Account:

The SSA Account is a money market checking account. Checks drawn on the SSA Account are payable through The Northern Trust Company, Chicago, Illinois. Checks for \$250 or more may be written against the account balance using special checks provided. There is no limit on the number of checks that can be written against the balance of the account. A check for the full balance may be written at any time. If at any time the account balance falls below \$500, the account automatically will be closed at the end of that month. The final account balance, including interest credited, will be provided by mail.

The SSA Account funds begin earning interest the day they are deposited, with interest compounded daily and added to the account on the last day of the month. The account accrues interest based on the 13-week U.S. Treasury Bill auction rate. Principal and any interest earned are fully guaranteed by The Standard. The interest earned on the SSA Account may be taxable. A personal tax and/or legal advisor should be consulted with questions related to tax issues, and a financial advisor should be consulted for information about other investment opportunities.

An SSA Account statement showing the beginning balance, any withdrawals, interest credited, special service charges if any and the current interest rate that the account is earning is provided monthly by mail.

The SSA Account has no monthly service fees, no per check charges and no charge for additional checks. However, there may be special fees for some services. The current special fees are: \$25.00 for each check returned by the bank as unpaid, such as a check written for more than the account balance; and \$25.00 per check for each Stop Payment order. These fees will be deducted from the account balance and will appear on the monthly statement. The fees are applicable from the date of this disclosure and may change in the future.

Depositing the total proceeds in an SSA Account fully discharges The Standard's obligation under the group life insurance policy. Additional deposits cannot be made to an SSA Account.

The Beneficiary will be mailed a checkbook once the claim is approved. In addition, all SSA accountholders have access to 24-hour customer service via voice response unit (VRU) and a dedicated customer service team.

The account is not insured by the Federal Deposit Insurance Corporation (FDIC). The National Association of Insurance Commissioners (NAIC) advises that you can contact the National Organization of Life and Health Insurance Guarantee Associations at www.nolhga.com for information about coverage and limitations for retained asset accounts by State Guaranty Associations.

While accountholders may choose not to withdraw any portion of these proceeds from their account, they must keep the account active. We will contact accountholders periodically to confirm that they wish to maintain their account. If we do not receive a response, the account may become dormant and presumed abandoned, after which the proceeds may be transferred to the accountholder's state treasurer's office, and the accountholder will need to file a claim with the state to get the proceeds back.

If there are questions, please contact The Standard Life Benefits Department, PO Box 2800, Portland, OR 97208-9929, or call 800.628.8600.
