

Thank you for choosing to submit your client’s Full Underwriting Application Supplement using The Standard’s Electronic Medical Questionnaire.*

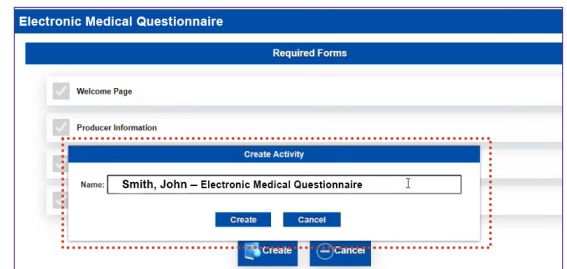

1 Go to The Standard’s eApp platform.

- From the same list used to launch eApp, you can select to launch the Electronic Medical Questionnaire.

Select the **Electronic Medical Questionnaire**, then click **Create**.

In the **Create Activity** dialogue box, **rename** “New Application” to your client’s name.

For example, **rename** “New Application” to “Smith, John.”

Note: Rename the application with your **client’s name** in the Create Activity dialogue box. This allows your General Agent and The Standard to match the questionnaire with the corresponding application and PIR. If not renamed, this may cause processing delays.

2 You’ll fill in the client information in the initial screen:

- State in which the applicant lives
- First and last name
- Date of Birth (mm/dd/yyyy)
- Last four digits of Social Security Number
